Trollinger, William Vance Trollinger Jr., 2016-05-15 What does the popularity of the Creation Museum tell us about the appeal of the Christian right On May 28 2007 the Creation Museum opened in Petersburg Kentucky Aimed at scientifically demonstrating that the universe was created less than ten thousand years ago by a Judeo Christian god the museum is hugely popular attracting millions of visitors over the past eight years Surrounded by themed topiary gardens and a petting zoo with camel rides the site conjures up images of a religious Disneyland Inside visitors are met by dinosaurs at every turn and by a replica of the Garden of Eden that features the Tree of Life the serpent and Adam and Eve In Righting America at the Creation Museum Susan L Trollinger and William Vance Trollinger Jr take readers on a fascinating tour of the museum The Trollingers vividly describe and analyze its vast array of exhibits placards dioramas and videos from the Culture in Crisis Room where videos depict sinful characters watching pornography or considering abortion to the Natural Selection Room where placards argue that natural selection doesn't lead to evolution The book also traces the rise of creationism and the history of fundamentalism in America This compelling book reveals that the Creation Museum is a remarkably complex phenomenon at once a natural history museum at odds with contemporary science an extended brief for the Bible as the literally true and errorless word of God and a powerful and unflinching argument on behalf of the Christian right **Understanding Christian-Muslim Relations**

Clinton Bennett, 2008-06-10 A topical investigation into Christian Muslim relationships which highlights the important need for improved understanding between the two communities in order to develop universal peace and justice The Trouble with Christianity Philip Voerding, 2009-08 Between Heaven and Hell Dean R. Eyerly, 2010-02 There is no greater controversial person in the world than Jesus the Christ For over two thousand years speculation has been lurking in the background about religious control of belief by the church and church dogma in general Where many people stop in Sunday school author Dean Eyerly moves beyond in his historical research about this man named Jesus and his historical search for his true beliefs and teaching Along the way historical writings were discovered that provided more detail surrounding his life death and resurrection Having been inspired to study after being presented with conflicting historical information Eyerly began to study outside of traditional data surrounding Jesus in 2003 in order to find a firmer grasp on what history says about Jesus To no surprise The answers he found were not always in line with what the Bible says and Eyerly argues that what we are commonly taught in church isn't the full story There are several documents and writings discovered that go against modern constructs and tradition as we Christians know of the faith today Dean has studied through the many documents that go against modern constructs and tradition and shows readers what they say about Jesus his followers and possibly why these documents were rejected and pushed into the dark See how these stark differences in belief are considered so dangerous by the church and not by Jesus Between Heaven and Hell is a compilation of research shaped into a timeline that begins before the birth of Christ and moves into the Common Era Dean draws from many non canonical references and Gnostic literature in

presenting a broader perspective on the many differing thoughts and views concerning the person of Jesus Is there good evidence that Jesus was who we think he was Was he really born of a virgin Who really wrote the Bible These questions must start from somewhere Discover what you might in this thought provoking presentation of un safe information that lies Between Heaven and Hell Dean Eyerly conducts biblical research as a hobby and enjoys sharing with others what he finds Eyerly firmly believes As do all of mankind that Jesus is extra ordinary And The Being that all earthly people should emulate Eyerly currently resides in Holland Ohio Future Israel Barry E. Horner,2007 Future Israel Why Christian Anti Judaism Must Be Challenged is volume three in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE THEOLOGY NACSBT series for pastors advanced Bible students and other deeply committed laypersons Author Barry E Horner writes to persuade readers concerning the divine validity of the Jew today based on Romans 11 28 as well as the nation of Israel and the land of Palestine in the midst of this much debated issue within Christendom at various levels He examines the Bible s consistent pro Judaic direction namely a Judeo centric eschatology that is a unifying feature throughout Scripture Not sensationalist like many other writings on this constantly debated topic Future Israel is instead notably exegetical and theological in its argumentation Users will find this an excellent extension of the long respected NEW AMERICAN COMMENTARY

Mapping the End Times Dr Jason Dittmer,Dr Tristan Sturm,2012-11-28 Over the last quarter century evangelicalism has become an important social and political force in modern America Here new voices in the field are brought together with leading scholars such as William E Connolly Michael Barkun Simon Dalby and Paul Boyer to produce a timely examination of the spatial dimensions of the movement offering useful and compelling insights on the intersection between politics and religion This comprehensive study discusses evangelicalism in its different forms from the moderates to the would be theocrats who in anticipation of the Rapture seek to impose their interpretations of the Bible upon American foreign policy The result is a unique appraisal of the movement and its geopolitical visions and the wider impact of these on America and the world at large *The Bible in American Life* Philip Goff,Arthur E. Farnsley II,Peter J. Thuesen,2017-03-01 The Bible in American Life is a sustained collaborative reflection on the ways Americans use the Bible in their personal lives It also considers how other influences including religious communities and the internet shape individuals comprehension and engagement with scripture **The Omega Manifesto** Scott Keisler,2012-09-13 The Omega Manifesto establishes Christian worldview for the last days while exposing the end game of the global elite and the New World Order they have long envisioned Author Theologian and Researcher Scott Keisler packs over nine years of in depth research into this uncompromising volume as he skillfully shatters the false reality matrix of establishment politics economics the media and more The Omega Manifesto covers a wide range of fascinating topics including but not limited to creation evolution Israel in prophecy the Illuminati the Purpose Driven Church Growth movements Genesis 6 and the Nephilim UFOs and Satanism The final chapter of is a blockbuster in which the previous nine chapters come together in a startling and unexpected way After

reading this explosive book you ll never look at the world the same again The Electronic Church in the Digital Age Mark Ward Sr.,2015-11-10 This two volume set investigates the evangelical presence in America as experienced through digital media examining current evangelical ideologies regarding education politics family and government Evangelical broadcasting has greatly expanded its footprint in the digital age This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution s modern identity and what the future of the industry holds as mobile church apps Christian based video games and online worship become the norm The work split into two volumes reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general Volume 1 explores how electronic media shapes today s Christian subculture while the second volume describes how the electronic church impacts the wider American culture analyzing what key figures in evangelical mass media are saying about today s religious political economic and social issues The set concludes by addressing criticism about religious media and the prospects of American public discourse to accomodate both secular and religious voices **Evangelicals and Israel** Stephen Spector,2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God s prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God s blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church s past anti Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West s firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel s possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush s beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies *Evangelicals and Israel* corrects much of the speculation about Bush s personal faith and about evangelicalism s impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism

One Day Closer John M. Burling,2015-05-06 What are we one day closer to Everything that will happen in the future Christians and particularly students of Biblical prophecy understand that everybody is one day closer to the second coming of

our Lord Jesus Christ With the downward direction of our country and current disturbing world events and trends the probability of moving closer to the second coming is increasing That is not to say the date is known Only the Father knows the date One Day Closer cites biblical quotes history and political events showing how and why the downward direction occurred and world events are unfolding as they are It also includes end event prophecy details
