EVIDENCE FOR THE HISTORICAL JESUS Gary R. Habermas, 2020-11-28 The search for the historical Jesus is a hot topic in both popular and academic circles today and has drawn a lot of attention from national magazines such as Time Newsweek and U S News World Report Further the media has given an undue amount of attention to the Jesus Seminar s outlandish statements a self selected liberal group representing a tiny percentage of New Testament scholarship Dr Gary Habermas will address the questions surrounding the debate over the historical Jesus and show a significant number of historical facts about Jesus in secular and non New Testament sources that prove that the Jesus of history is the same Jesus of the Christian faith The author of EVIDENCE FOR THE HISTORICAL JESUS is Dr Gary Habermas author of the book The Historical Jesus and about twenty other volumes He received his Ph D from Michigan State University Dr Habermas is chairman of the Department of Philosophy at Liberty University He has written more than 100 articles mostly on the life of Jesus which have appeared in scholarly journals and elsewhere Herein you will learn why Jesus is one of the most historically verified lives of ancient times

The Evidence for Jesus R. T. France, 1986-01-01 Was Jesus a magical cult leader Was he a revolutionary that failed Or did the apostle Paul invent him out of a mystical experience And even if he was a historical figure how much can we really know about someone who lived two thousand years ago in an obscure corner of the Roman Empire R T France explores these issues by examining in detail the whole range of historical data from archaeological evidence to other non Christian sources to Christian writings both inside and outside of the New Testament With candor and rigor he analyzes modern New Testament scholarship that challenges the biblical record and sets out a clear and solid case for what the New Testament says about Jesus This book is valuable resource for those who question or seek to defend the reliability of the Gospels It is difficult to praise this work too highly It achieves its purpose of presenting the evidence for Jesus with complete success Christian Arena R T FRANCE has taught at London Bible College and was principal of Wycliffe Hall Oxford from 1989 1995 His many books include The Living God Jesus the Radical and Jesus and the Old Testament He is also the author of Matthew in the Tyndale New Testament Commentary series

Jesus Under Fire Zondervan, 2010-12-21 Who is Jesus What did he do What did he say Are the traditional answer to these questions still to be trusted Did the early church and tradition Christianize Jesus Was Christianity built on clever conceptions of the church or on the character and actions of an actual person These and similar questions have come under scrutiny by a forum of biblical scholars called the Jesus Seminar Their conclusions have been widely publicized in magazines such as Time and Newsweek Jesus Under Fire challenges the methodology and findings of the Jesus Seminar which generally clash with the biblical records It examines the authenticity of the words actions miracles and resurrection of Jesus and presents compelling evidence for the traditional biblical teachings Combining accessibility with scholarly depth Jesus Under Fire helps readers judge for themselves whether the Jesus of the Bible is the Jesus of history and whether the gospels claim is valid that he is the only way to God
