*The Christian in Complete Armour: or, A Treatise on the Saints' War with the Devil, Wherein a Discovery is Made of the Policy, Power, Wickedness, and Stratagems Made Use of by that Enemy of God and his People* William Gurnall, 2024-04-27 Reprint of the original first published in 1845     **The Christian in complete armour; or a treatise on the Saints' war with the devil, etc** William GURNALL, 1845     *The Day of Doom* Michael Wigglesworth, 1711     The Commentaries of Origen and Jerome on St. Paul's Epistle to the Ephesians Ronald E. Heine, 2002-12-05 This important study provides the first English translation of both the surviving fragments of Origen's Commentary on Ephesians and of the complete text of Jerome's Commentary on Ephesians The two translations are placed parallel to one another where they treat the same texts in Ephesians thus showing Jerome's extensive dependence on Origen's commentary By using collateral texts from other works of Origen Jerome and Rufinus the author is able to show Jerome's dependence on Origen in numerous passages in his commentary where the Greek text of Origen's commentary is lost The translation is accompanied by Heine's illuminating commentary and a substantial introduction sets the works in their historical context The book makes a significant contribution not only to scholarship on Origen and Jerome but also to the wider question of the interpretation of scripture in the early Christian centuries     History of the Church of Jesus Christ of Latter-Day Saints Church of Jesus Christ of Latter-day Saints, 1902     **Sermons and Sketches of Sermons** Richard Watson, 1851     **Sermons and Sketches of Sermons** Richard Watson, 2025-08-04 Reprint of the original first published in 1836 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage     *Preparedness for the Day of Christ, urged on all Christians.
