Copyright Office, 1976 **God's Amazing Answer to Prayer** JIM BAKER, 2012-12-13 The author wrote this book because he felt an obligation to God to use the information he received from God in a responsible way to help

others come to know more about God and to give many non believers more reasons to believe in God by documenting God's interaction with him This book starts with an introduction and a brief history of the author The author had several incredible personal experiences with God and this book is especially about one of those experiences The author states that God gave him a verbal answer to his prayer that revealed more about God and His Kingdom than is currently thought to be true and accepted The author then felt a need to share with Christians and non Christians this Godly event and message The book also gives a simple guide for non believers to get on track with God The book details some of the other signs and miracles that happened in the author's own life This book also tells of God's revelation as to where Heaven is AND where God is physically The author explains that God helped him during several recent personal medical and financial periods in his life The book emphasizes that you should always put God 1 in your life so that you may have access to eternal life as described in the Bible

United Methodists Today, 1975 *Exciting Journey with the Holy Spirit* Leon Elliott, 2021-03-29 I believe as you read this book you will feel the presence of God's love and the power of the Holy Spirit in a way you never felt before These experiences that I had come directly from God I believe as you read this book it will be exciting and energizing to your spirit like it happened to me A lot of these manifestations took place when I received the baptism of the Holy Spirit When that happened to me I also received healing with it and the gift of tongues You will be reading about this in my book I believe God allowed me to have all these experiences so I could be a better witness for him and also for me to share these experiences with other people What God did for me will be a faith builder for a lot of people as they read this book I also believe this book will bring people a lot closer to God and I hope and pray that anyone who has not received Jesus as Lord and Savior in their lives will meet him at the cross I do want to say that the cross is number one Nothing overrules the cross Jesus paid a big price for our sins nothing overrules that I do want to say that what happened to me I give God all the praises and glory I would not have the ability to write this book if these experiences had not happened to me I had thought about not writing this book because I had some things to happen to me I had prayed to God asking him if I should continue on I had another manifestation of the Holy Spirit appear to me within the next hour or so of that and I knew then that God wanted me to continue on with this book You will find out more about this as you read the book All the proceeds that are made from this book will go to a Christian organization I will not accept any money after what God has done for me I give him all the praises and glory for what he did for me Get ready to go on an exciting journey with the Holy Spirit as you read this book *God's Word to Pastors* Bob Yandian, 2013-08-06 Practical hands on wisdom for daily life in ministry What framework does the Word of God give for the office of a pastor Does the Bible outline the pastors responsibility to the congregation and the congregations responsibility to the pastor Gods Word to Pastors gives scriptural answers to these questions and many more What is the extent *Remarks on Prayer Meetings. Republished from the Episcopal Register for the years 1827 and 1828*, 1829 **AMAZING DEEDS OF GOD** Daniel Curry, 2013-09-30 Since Christianity first began to shine the Gospel's light

among nations miracles accompanied Jesus teachings which shocked baffled and amazed How could they not Seeing the blind and lame healed the sick quickly cured the dead raised they were deeply impressed Questions naturally occurred to them How could such miracles have happened Why couldn t their gods do such works Who was this Jesus who had such powers They paid heed to the missionaries and the Word spread Yet today many believe that such miracles never occurred no longer occur were faked exaggerated or were attempts by ignorant people to explain surprising natural events People may ask Why haven t we personally seen some of these miracles The best explanation may be as simple as this love trumps miracles In a land that is already Christian the light of Jesus is supposed to be maintained by the labors and love of the Christians more than by spectacular miracles Christians if living as Jesus taught will continue to draw people from each new generation But just so the truth is known the miracles never stopped They never came close to stopping There still are amazing miracles but they go uncelebrated This book hopes to present some such miraculous Christian events ancient and recent to a generation almost unaware of them
