The Exercise Of Occult Powers:

Gary W. Babb, 2006-03-01 *Earth is Ours* is a fresh and uniquely original story line that bridges many genres. It is a story of a symbiotic relationship between a self-aware female computer and an American Indian man dying of old age. This is a forced relationship dictated by mutual needs for survival in a world stripped of technology by aliens. The main characters begin the fight of their lives but before they can fight the fierce aliens, Levi and Amy must fight for control of who they will be jointly. What begins as conflict of minds develops into tolerance, then cooperation, and finally love. This love of total oneness creates a unity of incredible power and strength that provides the means to fight the aliens. Female brains and male brawn unite to battle against incredible odds for the survival of the human race. The conflict of minds, action, adventure, and suspense are all interlaced into a compelling and fast-paced adventure. The characters are three-dimensional with real emotions, not always perfect but always interacting. The story is presented from differing viewpoints with the two main characters expressing some of the same events from both a male and female perspective. As they interface, the events are often seen from conflicting emotions and motivations, sometimes cynical and often humorous. It is the ultimate struggle of male versus female while combating monstrous aliens. As expected, this action story has a strong appeal to men, while the romance aspect complements the story, expanding the appeal to women. Additionally, one of the main characters is Amy, a particularly brilliant and forceful female who demands attention from both sexes. Her male counterpart is very physical and masculine, representing everything Amy is not. Both characters and sexes are presented in a positive, although conflicting way at times. These characters and the story are strong, and their saga continues in its sequel, *Target Earth*.

Commentary on Patanjali's sutras Updated edition **The Secret of Success: How to Achieve Power, Success & Mental Influence** William Walker Atkinson, 2023-12-31 In *The Secret of Success: How to Achieve Power, Success, Mental Influence*, William Walker Atkinson delves into the realms of self-improvement and personal mastery. This work is noteworthy for its synthesis of early 20th-century New Thought philosophy, which emphasizes the power of the mind in shaping reality. Atkinson employs a conversational yet authoritative tone, blending anecdotal evidence with practical advice that encourages readers to harness their mental faculties to achieve their ambitions. The book is structured around pivotal concepts such as the law of attraction, visualization, and the transformative power of thought, positioning it as a precursor to modern self-help literature. William Walker Atkinson was a prolific author and a prominent figure in the New Thought movement, deeply influenced by the spiritual and metaphysical currents of his time. Born in 1862, his experiences with business failures and subsequent spiritual awakenings played a pivotal role in shaping his philosophies. Atkinson's writings reflect a desire to empower individuals through the mastery of their minds, often drawing from Eastern philosophies and Western psychology, which helped him create this impactful guide to success. I highly recommend *The Secret of Success* to anyone seeking a foundational text in the self-help genre. Atkinson's insights not only champion the pursuit of personal and professional
