### **The Expanded Chocolate Teapot Surviving At School:**

**Growing Up Evangelical** Peter Ward, 2013-04-29 This groundbreaking and provocative book charts the recent history and impact of Christian youth work. It argues that the extraordinary growth of the evangelical movement in the UK can be attributed to its work among young people and demonstrates how the youth work of one generation shapes the adult church of a later one. Peter Ward opens up vital areas of debate: has youth work become primarily defensive rather than evangelical? Are we afraid to engage creatively with modern culture? What hope is there for the church of the future? *The British National Bibliography* Arthur James Wells, 2005 *Natural Health*, 2003
