awakening on the 21st century church's horizon and it depends on you. All the signs of history and culture point to the certainty of God bringing about revival to his people one by one and soon. Satan knows that to resist broad scope revival the spiritual battlefield is ironically very personal. You must understand your vital part in the immanent battle and equip yourself enthusiastically to answer the call. The corporate body of Christ's war is very personal battle; it is in a real sense an army of one.

Biblical Prophecy Unveiled Michael F. Elmore MD, 2018-06-27. The Bible is God's revealed message to humankind and in it God shows us our collective eternal future through an expansive history that is rich with prophecy. It is no wonder then that sometimes this divine message that spans the time from creation to today and beyond can be complex. Have you ever wished that you could better understand complex biblical prophecy and that it would be fun to read? In *Biblical Prophecy Unveiled*, Prophecy Made Easy Christian author and physician Michael F. Elmore delves into the complexities of biblical prophecy and provides a simple, concise way to come away with new understandings and insights. With a longtime interest in the Bible and its prophecies and thanks to a love for making complex subjects easy to understand, Dr. Elmore explores prophetic themes like judgment, discipline, restoration, sovereignty, warning, and messianism and explains them through the lens of God's incredible love for humankind. God wants us to be prepared for the last days and the Bible and its prophecies reveal exactly what believers need to know in order to face the great tribulation without fear. Instead, we can have hope, excitement, and anticipation for Christ's return, knowing that we can be confident in trusting in God's Word thanks to a fuller, more complete understanding of his revealed truth.

End Time Facts And Your Presumptions Chaplain Mike Ingalls, 2010. We are in the end times. What is the end times? How close is it? In seeking these answers, we are bombarded with conflicting views, all seemingly based on reasonable FACTS. Views so encumbered with theological expressions they become incomprehensible. FACTS and PRESUMPTIONS is authored by a prison chaplain whose duty is to present God's word in a manner acceptable to all levels of theological exposure. You will be led briefly through the most extraordinary prophetic utterances in the Bible. To learn how God revealed to one man events from 605 B.C. to the European Union and beyond into our future, FACTS and PRESUMPTIONS provides insight that will enable you to understand current headlines and to develop an expectation of future events. FACTS and PRESUMPTIONS provides insight gleaned from a few fragments of God's word unencumbered by any interpretation except your own. FACTS and PRESUMPTIONS presents FACTS and invites your own PRESUMPTIONS. Chaplain Mike is retired from LAPD. He has a Juris Doctorate, passing the California bar in 1970. He practiced in Los Angeles and Bishop, California. Finding God's law far more rewarding, he opened a school for boys on the brink. Presenting God's law without theological complications to teenagers in an interesting manner was a challenge that ultimately developed a

humorous and storybook style He has shared God's law with prison inmates for twelve years presenting that same law to inmates who believe that no one loves them They have been seeking peace and self esteem in the wrong places they require proof Satisfying their thirst to know the future when their personal future is sometimes dismal is challenging These experiences and logical deductions are now shared in **FACTS and PRESUMPTIONS** Chaplain Mike his wife and children make their home in Southern California thy law is my delight Psalms 119 174 *The Tehran Initiative* Joel C.

Jerryson,2015-11 Violence has always played a part in the religious imagination from symbols and myths to legendary battles from colossal wars to the theater of terrorism The Oxford Handbook of Religion and Violence surveys intersections between religion and violence throughout history and around the world The forty original essays in this volume include overviews of major religious traditions showing how violence is justified within the literary and theological foundations of the tradition how it is used symbolically and in
