Rembrandt Van Rijn and His Work Malcolm Bell,1899 *Patents for Inventions. Abridgments of Specifications* Great Britain. Patent Office,1923 **Red Eyes and the Human Horror Story** James D. Patalon,2015-05-26 The book had originally been titled THE HUMAN HORROR STORY It was a very over descriptive novel that in many other opinions was just too graphic and gory So although that novel had been decided by me to be put on a shelf for future revising one of its chapters caught my attention So I removed that particular chapter and began building a new story surrounding that specific idea and long and behold within four months I created my second novel RED EYES I worked diligently on making sure that the subject matter although a horror story wouldn t upon being published offend anyone So happy and relieved that the finished novel after several personal revisions was finally what I thought completed How very wrong was I The first project somehow decided to find itself added as an extension to the new novel So once again I had to go in and perform surgery Now both stories had to be merged to be one novel So now I began thinking about a new title Finally I came up with merging both titles into one RED EYES AND THE HUMAN HORROR STORY A SPINE TINGLING ADVENTURE INTO UNKNOWN REALMS Two men each facing an unimaginable inexplicable journey each must face horrors and promises in an alternate reality that is both surreal and yet oddly familiar One man suffering from depression deals with his pain by imagining an easier world until an accident pushes him into another realm where he is reunited with a lost love but also must face zombies and an evil

demon He must face the truth of the comforting illusions he created but as his dream world becomes more and more compelling and satisfying what will happen when he has to return to real life The second man enters an alternate reality by committing suicide an act that as he has been warned will have serious consequences He is reunited with his soulmate but they can't stay in the reality they currently inhabit An adversary that they thought they had destroyed is back and they must face him again and to their horror they come to learn that they must defeat their demons over and over as they move to new realms the price for taking your own life is to be doomed to move continually from one reality to the next Red Eyes and the Human Horror Story is a thrilling endlessly inventive exploration of the ways in which imagination shapes our reality and how reality shapes our dream worlds *Official Gazette of the United States Patent Office* United States.
