Y. Evans Wentz, 2017-06-06 During the years 1907 9 this study first took shape being then based mainly on literary sources and during the latter year it was successfully presented to the Faculty of Letters of the University of Rennes Brittany for the Degree of Docteur's Lettres Since then I have re investigated the whole problem of the Celtic belief in Fairies and have collected very much fresh material Two years ago the scope of my original research was limited to the four chief Celtic countries but now it includes all of the Celtic countries In the present study which has profited greatly by criticisms of the first passed by scholars in Britain and in France the original literary point of view is combined with the broader point of view of anthropology This study the final and more comprehensive form of my views about the Fairy Faith would never have been possible had I not enjoyed during many months the kindly advice and constant encouragement of Mr R R Marett Reader in Social Anthropology in the University of Oxford and Fellow of Exeter College The Fairy Faith in Celtic Countries W. Y. Evans Wentz Evans Wentz, 2011-07 This book depends chiefly upon the oral and written testimony so freely contributed by its many Celtic authors The Peasant and the Scholar the Priest and the Scientist The Poet and the Business Man the Seer and the Non Seer and in honour of them I dedicate it to two of the Brethren in Ireland A E whose unwavering loyalty to the Fairy Faith has inspired much that I have herein written whose friendly quidance in my study of Irish mysticism I most gratefully acknowledge and William Butler Yeats who brought me at my own Alma Mater in California the first message from Fairyland and who afterwards in his own country led me through the haunts of Fairy Kings and Queens The Fairy-Faith in Celtic Countries Illustrated Eddition W.
