"The Faith Once for All Delivered Unto the Saints" Louis Sylvester Bauman,1934 The Faith Once for All Cyrus David Foss,1887 *The Faith Once for All Delivered Unto the Saints* Louis Sylvester Bauman,1941 *The Faith Once Delivered* John Hess McComb,1949 **A plain Discourse [on Jude 3] on "the one Faith"; etc** Charles Stephen GRUEBER,1850 **Words of Love Volume 2 PB** J. Wayne McKamie,2018-07-04 This is the second of multiple volumes we plan to publish if the Lord is willing As I began listening to the sermons and reading the transcripts for this volume I began to realize the practicality and the focus of Wayne as he challenges his hearers to think and to consider their actions along life s pathway Wayne has a way of always challenging his audience I believe all who will read the sermons in this book will find many nuggets of spiritual nourishment and find themselves facing serious spiritual questions in living for Jesus Christ The messages are truly inspiring The Faith Once Delivered to the Saints. A Sermon [on Jude 3]. Henry William Sulivan,1854

Pool,1998 Against Returning to Egypt is study of a doctrinal statement recently adopted by the Southern Baptist Convention The Report of the Presidential Theological Study Committee Using criteria developed from the SBC s historic distinction between confessions of faith and creeds Professor Jeff Pool takes the measure of this doctrinal statement and finds it wanting He argues that the Report represents the greatest theological threat to the denomination in the history of the SBC This threat consists primarily in that the Report intentionally erases the historic Baptist distinction between confessions of faith and creeds and in addition in that it presents and in fact is based upon a radically Calvinistic revision of the SBC s historic perspectives on several central Christian doctrines This investigative study has significance for other traditions and histories during these tumultuous times rightly characterized as times of fundamentalist resurgence The principles motives and aspirations examined here appear not only in other denominational histories but in other political social and cultural realms as well The New Testament, Greek and English Frederick Henry Ambrose Scrivener,1908
