**The Falling Woman**

Richard Farrell, 2020-06-23 This is the kind of novel I like best Great writing great plotting and a thoughtful plumbing of what makes us human B A Shapiro bestselling author of *The Art Forger* and *The Collector's Apprentice* First it's just a barely believable rumor one person may have survived the midair explosion of a passenger jet on a cross country course from Washington D C to San Francisco But soon she becomes a national media sensation when the Falling Woman as the press dubs her is said to have been taken to a Wichita hospital and then to have disappeared without a trace As a dedicated National Transportation Safety Bureau agent joins the search for clues he becomes drawn into the woman's moving and personal fight to keep secret the story of her survival even from her own family and possibly at risk to his own career *The Falling Woman* is a novel that asks compelling and controversial questions about the value of life and what should be sacrificed in the name of love

**The Falling Woman** Shaena Lambert, 2003-11 An archetypal motif the falling woman Never quite fallen always in transition she insists on plunging into the forbidden marching down Main Street topless seducing married men exploring the shadowy losses that predate her birth but still manage to stamp her being Stories of family and love lovers and betrayal the longing and fear of which we are made the stories of Shaena Lambert are about malevolent pubescent sexuality tough women adolescent boys boasting about female anatomy They are sometimes unsettling always thoughtful and thought provoking As with Alice Munro's work Lambert's stories showcase intelligent women with complex inner lives negotiating the intricacies of relationships with lovers children and parents Some of the stories work away at the links and legacies that bind mothers and daughters but here too is a story of a rigid father and his impulsive young son and the dark currents of their shared grief
