PROFESSOR OF OLD TESTAMENT, UNIVERSITY OF HAMBURG

# The Growth Of The Biblical Tradition The Form Critical Method

**William R. Herzog**

## **The Growth Of The Biblical Tradition The Form Critical Method:**

**The Growth of the Biblical Tradition** Klaus Koch, 1969      **Was ist Formgeschichte?** Klaus Koch, 1969      **The Changing Face of Form Criticism for the Twenty-first Century** Marvin Alan Sweeney, Ehud Ben Zvi, 2003 The approach to biblical interpretation known as form criticism has changed markedly at the beginning of the twenty first century Front ranking experts here survey the contemporary landscape of form criticism and explore significant patterns and trends now emerging in the field Together these essays point to the continuing dynamism and vitality of form critical theory as a significant tool for reading the Bible Contributors Bob Becking Ehud Ben Zvi Erhard Blum Sue Boorer Martin J Buss Antony F Campbell Michael H Floyd Hyun Chul Paul Kim Won Lee Tremper Longman III Roy F Melugin Martti Nissinen David L Petersen Margaret S Odell Thomas Romer Martin Rosel Marvin A Sweeney Patricia K Tull Raymond C Van Leeuwen

**Performances of Ancient Jewish Letters** Marvin Lloyd Miller, 2015-09-16 This ambitious and engaging book sets itself the task of combining a wide range of approaches to cast new light on the form and function of several ancient Jewish letters in a variety of languages The focus of *The Performance of Ancient Jewish Letters* is on applying a new emerging field of performance theory to texts and arguing that letters and other documents were not just read in silence as is normal today but were performed especially when they were addressed to a community A distinctive feature of this book consists of being one of the first to apply the approach of performance criticism to ancient Jewish letters Previous treatments of ancient letters have not given enough consideration to their oral context however this book prompts the reader to listen sympathetically with the audience The Performance focuses close attention on the ways in which the engagement of the audience during the performance of a text might be read from traces present in the text itself This book invites the audience to hear a fresh reading of a family letter from Hermopolis concerning ugly tunics and castor oil festal letters about issues surrounding the celebration of Passover Purim and Hanukkah a diaspora letter on how to live in a foreign land and also an official letter concerning the building of the Jerusalem temple These letters will help us understand a text from the Dead Sea Scrolls namely MMT Marvin L Miller argues for the centrality of performance in the life of Jews of the Second Temple period an area of study that has been traditionally neglected The Performance advances the fields of orality and epistolography and supplements other scholars works in those fields

**Biblical Exegesis, Fourth Edition** John H. Hayes, Carl R. Holladay, 2022-10-04 This is a beginner's guide to biblical exegesis providing exegetical methods practices and theories This book provides simple helpful information and guidance about doing exegesis without being overly prescriptive succinctly introduces students to various methods provides basic bibliographies that take students beyond an introductory discussion and emphasizes exegesis as an everyday activity based on commonsense principles rather than as an esoteric enterprise This revised edition of this perennially best selling textbook includes discussions of emerging methods of interpretation aimed at a contemporary audience Several chapters have been updated and improved and readers will find an incisive new chapter on

exegesis with a focus on identity and advocacy Holladay has also written a new concluding chapter on exegesis as the art of seeing Bibliographies are updated and a helpful glossary is included in this new edition The Qur'an and its Interpretative Tradition Andrew Rippin, 2022-04-19 The position of the Qur'an as the central symbol and reference point of Islam cannot be disputed Despite this significance the academic study of the Qur'an has lagged far behind that of the Bible In these studies Andrew Rippin reflects upon both the principles and the problems of studying the Qur'an within the discipline of religious studies He also pursues detailed investigations of the meaning of variants to the text and the history of Muslim interpretation of the text in its diversity A newly written introduction lays out some of the general implications of these studies while extensive indexes of Qur'anic verses books authors and topics make this research more readily accessible The Pentateuch in the Twentieth Century Ernest Wilson Nicholson, 1998 Despite innumerable studies from at least the time of the Reformation it was not until little more than a century ago that one hypothesis concerning the origin of the Pentateuch the so called Documentary Theory formulated by Julius Wellhausen established itself as the point of departure for all subsequent study of this topic This has remained so until recently but during the past twenty five years the study of the Pentateuch has been once more in turmoil and new theories have proliferated This book arises from the conviction that much in current Pentateuchal research needs to be subjected to rigorous scrutiny and that much indeed is radically mistaken Professor Nicholson argues that the work of Wellhausen for all that it needs revision and development in detail remains the securest basis for understanding the Pentateuch The book is not a mere call to go back to Wellhausen however for Professor Nicholson also shows that much in the intervening debate has significantly modified his conclusions as well as asking questions that were not on Wellhausen's agenda But the Documentary Hypothesis should remain our primary point of reference and it alone provides the most dependable perspective from which to approach this most difficult of areas in the study of the Old Testament **Opening the Bible** Antony Campbell, 2014-08-30 When Tony Campbell aged 75 asked the Council of Jesuit Theological College for Emeritus status and retirement from JTC both were granted most graciously along with a testimonial document which said in part His teaching has combined evocation and provocation in the best sense of those terms He has mentored research students with scholarly exactitude and personal care He has published books of the highest scholarly quality of engaging readability and of passionate conviction When we at ATF were considering asking him for a volume of Collected Works or Selected Writings we were well aware that published books of the highest scholarly quality were likely to be found on the shelves of libraries and of specialised academics but not with students and others generally interested There may be a dozen or more of Tony's books on the list from Amazon.com booksellers along with another two or three that are not listed there But most are heavy duty specialist works not easily accessible even to the educated public We were equally well aware that there was a surprising number of essays and articles scattered in journals and proceedings of conferences that were because of the scattering often just as inaccessible We thought that a collection of

these in a single volume would be of great value to those interested In the Introduction to this volume Father Campbell has gone into some detail about the contents Suffice for us to say that Job and the issues associated with suffering concern us all that the interplay of history and narrative is a constant in the understanding of much biblical text and that the nature of the Bible and its role in our lives is a major concern for most thinking Christians While Father Campbell s focus is on the Older Testament pondering what he looks at throws light on much of the Newer Testament as well The writings Tony Campbell has pulled together in this single volume address significant issues within the readable length of an article or a talk Addressed originally to thinking people we at ATF believe they are likely to be of interest to a wide audience **Qur'ānic Studies**

**Today** Angelika Neuwirth, Michael A Sells, 2016-04-14 Qur nic Studies Today brings together specialists in the field of Islamic studies to provide a range of essays that reflect the depth and breadth of scholarship on the Qur n Combining theoretical and methodological clarity with close readings of qur nic texts these contributions provide close analysis of specific passages themes and issues within the Qur n even as they attend to the disciplinary challenges within the field of qur nic studies today Chapters are arranged into three parts treating specific figures appearing in the Qur n analysing particular suras and finally reflecting on the Qur n and its others They explore the internal dimensions and interior chronology of the Qur n as text its possible conversations with biblical and non biblical traditions in Late Antiquity and its role as scripture in modern exegesis and recitation Together they are indispensable for students and scholars who seek an understanding of the Qur n founded on the most recent scholarly achievements Offering both a reflection of and a reflection on the discipline of qur nic studies the strong scholarly examinations of the Qur n in this volume provide a valuable contribution to Islamic and qur nic studies

Reading Isaiah Edgar W. Conrad, 2002-08-26 *Literary Criticism for New Testament Critics* Norman R.

Petersen, 2008-09-25 Utilizing Mark and Luke Acts as case studies Norman Petersen moves beyond redaction criticism to show both the necessity and the possibility for literary criticism to be an integral part of the historical critical study of biblical writings

**Jesus, Justice, and the Reign of God** William R. Herzog, 2000-01-01 By building on his view of Jesus first developed in Parables as Subversive Speech William Herzog II argues that Jesus is intensely interested in the social political and economic well being of humanity He examines the conflict stories exorcisms healings and the passion narrative to develop his thesis and in the final chapter he interprets the resurrection in light of this viewpoint **The People of**

**Ancient Israel** J. Kenneth Kuntz, 2009-07-01 Intended primarily as a textbook for undergraduates this volume has the following major divisions each divided into chapters I An introduction to the People including the essential stance of the biblical material methods of analysis and the geographical setting II The Origins of the People including a brief history of Old Testament criticism the patriarchal traditions the exodus event and the covenant at Sinai III The Growth of the People from the wilderness period to the time of Elijah IV The Demise of the People from the emergence of the literary prophets to the time of the exile V The Renewal of the People from the Second Isaiah through the end of the Old Testament period There is

an extensive bibliography arranged topically and by chapters indexes of authors and subjects and photos and maps scattered appropriately throughout the volume Concerning many basic issues a range of scholarly opinions is cited followed by a judicious evaluation and a list of the author's conclusions Only occasionally may the average informed reader want to take serious issue with the author Each chapter dealing with the biblical text is accompanied by a list of passages which the student is to read in conjunction with it a helpful procedure Treatment of a particular segment of biblical material often includes discussion of its theological stance The author has included coverage of many more topics than introductions of comparable size From The Journal of Biblical Literature review by Lloyd R Bailey Duke University Professor Kuntz has written a very helpful introductory text The traditions and texts of the Hebrew Bible are set within a historical framework but the text is more than a history of ancient Israel Kuntz presents in a succinct fashion major historiographical and interpretative positions He has included an excellent bibliography which includes commentaries atlases journals as well as bibliographies structured along the lines of the table of contents Kuntz has written a very readable and thorough introduction to the Hebrew Bible From The Journal of the American Academy of Religion by Richard D Hecht University of California Santa Barbara Although the subtitle includes the three areas of literature history and thought this volume is primarily concerned with the literature of the Old Testament A vast amount of information is made available in a breezy well articulated and engaging style Kuntz keeps his readers informed on presently controversial issues but he does not allow the intricacies of such current debates to obscure the flow of the work as a whole Each chapter is amply footnoted and an extensive annotated bibliography concludes the volume Some seventy photographs enhance an already clear and concise presentation The vigorous and open stance of the work evident in its lack of defensive or apologetic intent finds confirmation in the author's statement to engage in the Old Testament hermeneutical task is to engage in a dialogue with ancient Israel As that dialogue unfolds the interpreter will be required to place his own view of the world on trial Kuntz has ably demonstrated that the major task of introducing the Old Testament to the interested layperson can be accomplished successfully without jargon and sophisticated detail This volume deserves a wide readership and will serve as a very fine foundation in introductory courses to the entire Old Testament From The Catholic Biblical Quarterly by David P Reid SS CC Washington Theological Coalition Silver Spring Maryland

**An Introduction to Wisdom and Poetry of the Old Testament** Donald K. Berry, 1999-01-01 Written for pastors with a relatively elementary knowledge of the Old Testament Includes accounts of how this portion of the Bible has been interpreted throughout history Easily incorporated into individual sermons

Interpreting the Prophets James Luther Mays, Paul J. Achtemeier, 1987-01-01 Combining a remarkable degree of scholarship theological depth and readability these essays from the journal Interpretation will be an up to date and valuable resource for teaching and preaching the prophets Contributors include Walter Brueggemann Brevard S Childs R E Clements John J Collins James L Crenshaw Michael Fishbane John G Gammie Moshe Greenberg William L Holladay Klaus Koch Werner

E Lemke James Limberg Carol A Newsom Thomas M Raitt J J M Roberts James A Sanders David C Steinmetz W Sibley Towner Gene M Tucker Robert R Wilson Hans Walter Wolff      **Law as Literature** Jacob Neusner,2007-01-01 Jacob Neusner is Research Professor of Religion and Theology at Bard College and Senior Fellow of the Institute of Advanced Theology at Bard He has published more than 900 books and unnumbered articles both scholarly and academic and popular and journalistic and is the most published humanities scholar in the world He has been awarded nine honorary degrees including seven US and European honorary doctorates He received his AB from Harvard College in 1953 his PhD from Columbia University and Union Theological Seminary in 1961 and rabbinical ordination and the degree of Master of Hebrew Letters from the Jewish Theological Seminary of America in 1960 Neusner is editor of the Encyclopedia of Judaism Brill 1999 I III and its Supplements Chair of the Editorial Board of The Review of Rabbinic Judaism and Editor in Chief of The Brill Reference Library of Judaism both published by E J Brill Leiden The Netherlands He is editor of Studies in Judaism University Press of America Neusner resides with his wife in Rhinebeck New York They have a daughter three sons and three daughters in law six granddaughters and two grandsons      *The Elusive Presence* Samuel Terrien,2000-03-09 Terrien has made a contribution which is irreversible There will be no way to return to the more conventional models for Old Testament theology In addition to its formidable governing hypothesis the book is characterized by a style of elusiveness delightfully matching the argument a study only the urbaneness of the author could give us by an erudition evidenced by an exhaustive documentation and by rich and suggestive exegesis of a large number of texts This rich gift could only be given by Terrien with his remarkable combination of passion eloquence and erudition Walter Brueggeman Eden Theological Seminary

*Interpreting the Prophetic Word* Willem A. VanGemen,2010-06-01 The diversity of prophetic voices in the Bible provides a message that is rich and variegated But the variety of the testimony can be lost by limiting one s interpretations or application of the prophetic word Interpreting the Prophetic Word helps readers understand the harmony of the voices that reveal God s purposes in redemptive history Dr Willem VanGemen explains clearly and fully the background of the prophetic tradition He then interprets the message of the major and minor prophets using historical context and literary form and structure as tools in his analysis He concludes with an explanation of the relevance of the prophetic word today Dr VanGemen s extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers He helps them to interpret prophecy and invites them to listen to the prophets and to lives the prophetic word      Matthew's Inclusive Story David B. Howell,2015-01-29 Matthew has been described as an inclusive story in which the experiences of the evangelist s post Easter church are inscribed in the story of Jesus s earthly ministry This book explores the inclusive nature of the Gospel by means of reader response literary criticism Some recent redaction studies of Matthew are reviewed from the perspective of reader response criticism Then in an attempt to understand the interpretative moves readers make Matthew s story story teller and audience are examined      *Old Testament Exegesis, Fifth Edition* Douglas Stuart,2022-03-15 For years

Douglas Stuart's *Old Testament Exegesis* has been one of the most popular ways to learn how to perform exegesis the science and art of interpreting biblical texts properly for understanding as well as proclamation This new edition includes a major revision and expansion of online and other resources for doing biblical research and updates past editions by including a helpful configuration of the format for the exegesis process Stuart provides guidance for full exegesis as well as for a quicker approach specifically tailored to the task of preaching A glossary of terms explains the sometimes bewildering language of biblical scholarship and a list of frequent errors guides the student in avoiding common mistakes No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful careful interpreters of Scripture

This is likewise one of the factors by obtaining the soft documents of this **The Growth Of The Biblical Tradition The Form Critical Method** by online.
