The Shaman's Mirror Hope MacLean,2012-08-24 Huichol Indian yarn

paintings are one of the world s great indigenous arts sold around the world and advertised as authentic records of dreams and visions of the shamans Using glowing colored yarns the Huichol Indians of Mexico paint the mystical symbols of their culture the hallucinogenic peyote cactus the blue deer spirit who appears to the shamans as they croon their songs around the fire in all night ceremonies deep in the Sierra Madre mountains and the pilgrimages to sacred sites high in the central Mexican desert of Wirikuta Hope MacLean provides the first comprehensive study of Huichol yarn paintings from their origins as sacred offerings to their transformation into commercial art Drawing on twenty years of ethnographic fieldwork she interviews Huichol artists who have innovated important themes and styles She compares the artists views with those of art dealers and government officials to show how yarn painters respond to market influences while still keeping their religious beliefs Most innovative is her exploration of what it means to say a tourist art is based on dreams and visions of the shamans She explains what visionary experience means in Huichol culture and discusses the influence of the hallucinogenic peyote cactus on the Huichol s remarkable use of color She uncovers a deep structure of visionary experience rooted in Huichol concepts of soul energy and shows how this remarkable conception may be linked to visionary experiences as described by other Uto Aztecan and Meso American cultures

The Secret History of the World Mark Booth,2010-02-23 This

New York Times bestselling work reimagines world history though the belief systems of Freemasons Rosicrucians Kabbalists and others They say that history is written by the victors But what if history as we know it written by the wrong people What if everything we ve been told is only part of the story In this groundbreaking and controversial work Mark Booth embarks on an enthralling tour of our world s secret histories Booth starts from a dangerous premise That the stories put forward by the world s various cults and mystical traditions are true From there he relates a deeply provocative alternate history of the past 3 000 years From Greek and Egyptian mythology to Jewish folklore from Christian cults to Freemasons from Charlemagne to Don Quixote from George Washington to Hitler Booth shows that history needs a revolutionary rethink and he has 3 000 years of hidden wisdom to back it up

Songlines of the Soul Veronica Goodchild,2012-10-01 The title for this book comes

from the ancient Aboriginal concept of song lines pathways to another world reached through dreamtime and visionary insight and encounters with the unknown realm of experience Veronica Goodchild addresses how dreams synchronicities UFO ET encounters Crop Circle mysteries and NDEs all point to the new unfolding vision of reality She draws on ancient mystery traditions to explore how this metamorphosis is already reflected cross culturally in Hopi Aztec Mayan Hindu Tibetan Maori Zulu Dogon and Egyptian cultures Songlines of the Soul proposes a new paradigm of reality a new worldview

The signatures of this new reality are arising both in our own experiences and all around us if only we can stretch wide our stubbornly held perceptions of what is reality As we stand at a crucial turning point in our human history this book offers hope a call to awaken and expand our perceptions of the fundamental principles that orchestrate reality In an age when the answers offered by governments and traditional religion are no longer sufficient the quest for meaning must as it always has in the past arise first through visions dreams and journeys to other dimensions of consciousness The Audible Life Stream Alistair Conwell,2010-07-16 The Audible Life Stream or Primordial Sound Current is the all pervasive universal consciousness within everyone Few realise there is credible evidence indicating that Jesus Buddha Krishna and so on all perfected the meditative technique of turning their attention inwards thereby merging with the Audible Life Stream to become adepts of dying while living This is the first book to provide convincing evidence of the Audible Life Stream and emphasise the importance of it to every human being since none of us can escape the clutches of the Lord of Death This unique book provides evidence of the Audible Life Stream from a variety of sources including testimonials of near death experiences and out of body experiences from people in USA UK and Australia excerpts from major religious texts simply explained quantum physics principles and independent anecdotes from the increasingly popular field of sound music therapy
