

Access Bible®

A resource for beginning Bible students

College Edition

When modern-day people read the Bible, they are like time travelers visiting societies and cultures very different from their own. The strange customs, unfamiliar words and novel concepts encountered in the Bible can make understanding it a real challenge.

The Access Bible® has been carefully written and edited so that first-time Bible students can just pick it up—and start reading. The wealth of useful, understandable information on life in biblical times which it contains makes *The Access Bible®* an indispensable resource.

Key features of this Bible:

- Running commentary interprets topics which aren't explained in the text itself.
- Sidebar essays provide background information and explain unfamiliar concepts.
- A Glossary defines technical terms in everyday language.
- Book Introductions and Reading Guides provide context to help readers draw out the full meaning of the text.
- In-Text Maps and Charts illustrate the setting in which events described in the Bible took place.
- 36 Pages of Full-Color Oxford Bible Maps.
- Charts listing the Canons of the Hebrew Bible and the New Testament.

8 "I am the Alpha and the Omega," says the Lord God, who is and who was and who is to come, the Almighty.

1-3: As verse 3 indicates, the work is to be read aloud, thus the first voice one hears is that of the public
