The Airborne Soldier John Weeks, 1982

US Army Airborne 1940-90 Gordon L. Rottman, 2012-09-20 The first 50 years of the US Army airborne arm is a story of continuing battles with the nation's enemies of battles within the Army's hierarchy of change and of adaptation If there is any single attribute the airborne soldier can claim as his most sterling it is his uncanny ability to adapt his flexibility The very nature of a paratrooper demands this ability to adapt The motivation and spirit de corps it develops within these units is something not to be taken lightly The first class pairing of Gordon L Rottman and Ron Volstad bring to life the history of these remarkable troops

US Airborne Soldier vs German Soldier David Campbell, 2018-06-28 The US Airborne force fielded some of the toughest best trained and most resourceful troops of World War II all necessary qualities in a force that was lightly armed and which would in most operational circumstances be surrounded from the moment it landed on the battlefield The German Wehrmacht grew to rely on a series of defensive measures to combat the airborne threat including fortifications localized reserves and special training to help intercept and disrupt airborne troops both in the air and on the ground Despite such methods it was cool headed command and control that would prove to be the real key to blunting the Airborne's edge Using specially commissioned artwork this book examines the development of the American airborne forces that spearheaded the Allied effort in Sicily Normandy and Operation Market Garden and the German countermeasures that evolved in response to the threat of Allied airborne landings

Paratrooper: My Life with the 101st Airborne Division Michael B. Kitz-Miller, 2015-08-17 Paratrooper is the autobiography of a young man's time with the famed 101st Airborne Division Screaming Eagles With not the finances to finish his senior year in college and a looming draft it leads to his enlisting in the U S Army With thoughts of Officer's Candidate School Private Michael B Kitz Miller heads for a newly designed Basic Training course for soldiers planning to attend Airborne School High performance results in Leadership School and Acting Sergeant in Advanced Infantry School At Airborne School he is a runner up for Honor Graduate from his original class of 1 000 soldiers Finally the new paratrooper boards a bus for Ft Campbell and the 101st His first job is as an M 60 machine gunner scoring expert his first time on the weapons range Numerous operations follow Cold Eagle Swift Strike II Desert Strike and the surprise Operation Delawar jumping into Iran in 1964 as part of the U S STRIKE Command All produce commendations and after winning the Division Soldier of the Month competition a promotion to Sergeant He soon becomes part of the Battalion Mountaineering cadre The rigors of Recondo School and its incredible 35 percent graduation rate follow offering a shot at Honor Graduate Having won Battalion and Brigade competitions the young paratrooper enters and finds himself a finalist in the Division's Soldier of the Year competition Tough career decisions follow The story ends with Sergeant Kitz Miller's opportunity 50 years later to compare key issues that confronted him as a soldier

with those of today The evaluation of Officers and NCOs leadership and mentoring are but a few His final chapters on Just War Theory and current Rules of Engagement provide provocative ideas about how to address our current policies on terrorist states Above all it is the story of a very successful Paratrooper that loved the Airborne Infantry Out of the Blue James A. Huston,1998 Beginning with a case study of the greatest airborne operation of the war the 1944 invasion of Holland Huston examines the inception organization training equipment strategies Allied cooperation and overall effectiveness of the airborne in the total war effort Operations in North Africa Sicily Italy Southern France the Pacific and the Far East are discussed No other book brings together as much information and documentation on the airborne Of special interest to the veterans who took part in the great paratroop and glider movements this book will become invaluable to students of aerial warfare and of World War II **Blood on the Risers** John Leppelman,2010-05-26 In three straight years he was a paratrooper and army seaman and a LRRP and he lived to tell about it As an FNG paratrooper in the 173d Airborne John Leppelman made that unit s only combat jump in Vietnam Then he spent months in fruitless search of the enemy watching as his buddies died because of poor leadership and lousy weapons Often it seemed the only way out of the carnage in the Central highlands was in a body bag But Leppelman did get out transferring first to the army s riverboats and then the all volunteer Rangers one of the ballsiest units in the war In three tours of duty that ended only when malaria forced him back to the States Leppelman saw the war as few others did a Vietnam that many American boys didn t live to tell about but whose valor and sacrifice survive on these pages **British Airborne Soldier vs Waffen-SS Soldier** David Greentree,2019-07-25 Operation Market Garden was an Allied plan to try and end the war before the end of 1944 and relied on landing airborne troops to secure bridges over the Rhine bridges in the Netherlands Critical to this plan were the glider troops of Britain s 1st Airlanding Brigade Short on heavy weapons and not trained in street fighting the glider troops were meant to secure and defend the Allied perimeter around Arnhem as the parachute brigades fought their way into the city Facing the airborne forces were understrength Waffen SS units that were hastily formed into ad hoc battle groups some supported by armour The troops on both sides would have their tactical flexibility and powers of endurance tested to the limit in the bitter actions that ensued Employing first hand accounts and drawing upon the latest research David Greentree tells the story of the glider troops dogged defence of the Allied perimeter at Arnhem and the Waffen SS forces efforts to overcome them *The Perfect Soldier* James F.
