The Allure Of Discus:

The Allure of Discus Herbert R. Axelrod, Bernd Degen, Fumitoshi Mori, 1991 **Enduring Bronze** Carol C. Mattusch, 2014-06-15 Ancient bronze statuary provides a sense of immediacy a window directly back to the classical world The wistful expression of a young Roman woman the fixed jaw of a politician and the tensed muscles of a Greek athlete appear startlingly lifelike transfixing the viewer with their striking realism Incredibly durable yet frequently destroyed for their valuable materials ancient bronzes are comparatively rare discoveries This book richly illustrated with works from the J Paul Getty Museum and other important collections provides an engaging overview of classical bronzes Enduring Bronze considers bronze throughout its long history exploring its enormous appeal from antiquity to the present day The book discusses the many roles bronze objects played in ancient Greece and Rome and analyzes discoveries made at ancient foundries and by contemporary scientists It also examines references to bronze in mythology Pliny s histories and other classical texts as well as representations on vases and other artworks Tropical Fish Hobbyist ,1997 Bibliography of Agriculture with Subject Index ,1993-11 Freshwater and Marine Aquarium ,1996 **Pet Business** ,1992 Just James John Painter, Brings James out of the shadows to show the important role he played in the beginnings of Christianity Democracy Online Peter M. Shane, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **The Reader's Digest** ,1926 **The B Word** Maria San Filippo, 2013-04-12 Often disguised in public discourse by terms like gay homoerotic homosocial or queer bisexuality is strangely absent from queer studies and virtually untreated in film and media criticism Maria San Filippo aims to explore the central role bisexuality plays in contemporary screen culture establishing its importance in representation marketing and spectatorship By examining a variety of media genres including art cinema sexploitation cinema and vampire films bromances and series television San Filippo discovers missed moments where bisexual readings of these texts reveal a more malleable notion of subjectivity and eroticism San Filippo s work moves beyond the subject of heteronormativity and responds to compulsory monosexuality where it s not necessarily a couple s gender that is at issue but rather that an individual chooses one or the other The B Word transcends dominant relational formation gay straight or otherwise and brings a discursive voice to the field of queer and film studies
