Overlaid on this are several detailed black and white line drawings of various plants and flowers. In the top left, there is a large, multi-petaled flower. To its right is a smaller, five-petaled flower. Further right is a cluster of small, round, seed-like structures. In the bottom left, there is a large, textured plant structure, possibly a seed head or a cluster of small flowers. A small, detailed drawing of a bee is visible on the left side, near the top. The title text is centered within a white rectangular box that has a thin black border.

The English Departments Whores:

The English Department's Whores Douglas Maddon, 2001-11-22 When Portia Bates is made redundant from the college she loves she swears revenge Soon she is diverting money from the English Department to set up a brothel and plotting the blackmail of prominent politicians Even the cunning Portia however hasn't reckoned on the students ability to create enough mayhem to ruin her plans especially when they discover a wartime arms cache beneath the college Readers of this black satire on English education in the tradition of Tom Sharpe will never look at jacuzzis in the same way again

The English Department W. Ross Winterowd, 1998 To understand the history of English W Ross Winterowd insists one must understand how literary studies composition rhetoric studies and influential textbooks interrelate Stressing the interrelationship among these three forces Winterowd presents a history of English studies in the university since the Enlightenment Winterowd's history is unique in three ways First it tells the whole story of English studies it does not separate the history of literary studies from that of composition rhetoric studies nor can it if it is going to be an authentic history Second it traces the massive influence on English studies exerted by textbooks such as *Adventures in Literature* *Understanding Poetry* *English in Action* and the *Harbrace College Handbook* Finally Winterowd himself is very much a part of the story a partisan with more than forty years of service to the discipline not simply a disinterested scholar searching for the truth After demonstrating that literary studies and literary scholars are products of Romantic epistemology and values Winterowd further invites controversy by reinterpreting the Romantic legacy inherited by English departments His reinterpretation of major literary figures and theory too invites discussion possibly argument And by directly contradicting current histories of composition rhetoric that allow for no points of contact with literature Winterowd intensifies the argument by explaining the development of composition rhetoric from the standpoint of literature and literary theory Winterowd has produced a work of belles lettres that is both scholarly and autobiographical a work unique in English department literature

Virgin Whore Emma Maggie Solberg, 2018-12-15 In *Virgin Whore* Emma Maggie Solberg uncovers a surprisingly prevalent theme in late English medieval literature and culture the celebration of the Virgin Mary's sexuality Although history is narrated as a progressive loss of innocence the Madonna has grown purer with each passing century Looking to a period before the idea of her purity and virginity had ossified Solberg uncovers depictions and interpretations of Mary discernible in jokes and insults icons and rituals prayers and revelations allegories and typologies and in late medieval vernacular biblical drama More unmistakable than any cultural artifact from late medieval England these biblical plays do not exclusively interpret Mary and her virginity as fragile In a collection of plays known as the *N Town* manuscript Mary is represented not only as virgin and mother but as virgin and promiscuous adulteress dallying with the Trinity the archangel Gabriel and mortals in kaleidoscopic erotic combinations Mary's virginity signifies invulnerability rather than fragility redemption rather than renunciation and merciful license rather than ascetic discipline Taking the ancient

slander that Mary conceived Jesus in sin as cause for joyful laughter the N Town plays make a virtue of those accusations through bawdy yet divine comedy she redeems and exalts the crime By revealing the presence of this promiscuous Virgin in early English drama and late medieval literature and culture in dirty jokes told by Boccaccio and Chaucer Malory's Arthurian romances and the double entendres of the allegorical Mystic Hunt of the Unicorn Solberg provides a new understanding of Marian traditions

The Whore's Child Richard Russo, 2007-12-18 This irresistible collection of short stories from the Pulitzer Prize winning author of *Empire Falls* reveals the imperfect bargains of marriage the discoveries and disillusionments of childhood and the unwinnable battles men and women insist on fighting with the past An author whose laid back understatement can be as sharp as other writers boldest declarations the architect of stories you can't put down The New York Times Richard Russo brings the same bittersweet wit deep knowledge of human nature and spellbinding narrative gifts that distinguish his best selling novels A cynical Hollywood moviemaker confronts his dead wife's lover and abruptly realizes the depth of his own passion As his parents marriage disintegrates a precocious fifth grader distracts himself with meditations on baseball spaghetti and his place in the universe And in the title story an elderly nun enters a college creative writing class and plays havoc with its tidy notions of fact and fiction The Whore's Child is further proof that Russo is one of the finest writers we have unsparingly truthful yet hugely compassionate and capable of creating characters real that they seem to step off the page Look for Richard Russo's new book *Somebody's Fool* coming soon

Adam and the Seventy-Year-Old Whore Matt Oldman and Eve Bodice, 2010-08 Adam and the Seventy Year Old Whore is a collaboration of two viewpoints one writing the chapters relating to Kathleen and the other writing those chapters about Adam The two viewpoints share responsibility for chapters nine through eleven when the two main characters finally collide with one another Sex is a powerful force in the lives of all creatures particularly humans and that powerful force is slow to lose its grip regardless of age or how some of us might nervously want to dismiss it Kathleen and Adam don't want to dismiss it In fact they want to revel in it until death

Horses, People and Parliament in the English Civil War Gavin Robinson, 2016-04-22 Horses played a major role in the military economic social and cultural history of early modern England This book uses the supply of horses to parliamentary armies during the English Civil War to make two related points Firstly it shows how control of resources although vital to success is contingent upon a variety of logistical and political considerations It then demonstrates how competition for resources and construction of individuals identities and allegiances fed into each other Resources such as horses did not automatically flow out of areas which were nominally under Parliament's control Parliament had to construct administrative systems and make them work This was not easy when only a minority of the population actively supported either side and property rights had to be negotiated so the success of these negotiations was never a foregone conclusion The study also demonstrates how competition for resources and construction of identities fed into each other It argues that allegiance was not a fixed underlying condition but was something external and changeable

Actions were more important than thoughts and to secure victory both sides needed people to do things rather than feel vaguely sympathetic Furthermore identities were not always self fashioned but could be imposed on people against their will making them liable to disarmament sequestration fines or imprisonment More than simply a book about resources and logistics this study poses fundamental questions of identity construction showing how culture and reality influence each other Through an exploration of Parliament s interaction with local communities and individuals it reveals fascinating intersections between military necessity and issues of gender patriarchy religion bureaucracy nationalism and allegiance
