The English Humorists Of The Eighteenth Century:

The English Humorists of the Eighteenth Century William Makepeace Thackeray, 2009-05 PREFACE An attempt has been made to adapt this edition of the Humorists to the use of either college or preparatory school To that end the notes are rather full in number but brief in the space given to each note The essays are exceptionally rich in allusions very happy and suggestive allusions and the purpose of the notes is to increase rather than satisfy the student s curiosity regarding them Essays Include Swift Congreve and Addison Steele Prior Gay and Pope Hogarth Smollett and Fielding Sterne and Goldsmith Many of the earliest books particularly those dating back to 1900 s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork The English Humourists of the Eighteenth Century William Makepeace Thackeray, 1872 *The English*
