The English Teaching Theatre:

The English Teaching Theatre, 1978 The English Teaching Theatre Piers Plowright, 1974 Scripts of dramatic sketches and songs from the Theatre **Off-stage!** Doug Case, Ken Wilson, 1979 A teacher's book which accompanies an ELT activity book based on a selection of 15 sketches from the English Teaching Theatre Group A cassette is also available **The English Teacher's Drama Handbook** Nicholas McGuinn, 2014-04-24 The English Teacher's Drama Handbook is a rich thought provoking introduction to teaching drama within the English classroom Divided into two sections the first part of the book explores deological influences that have shaped drama's relationship with English over the past 250 years and aims to help you locate your own practice within a theoretical and historical context Starting with Rousseau's seminal text Emile it considers the theories of key thinkers and practitioners and a range of complex issues including the construction of childhood children's play the teacher and student relationship the implications of linking drama and English and the impact of national curricula on drama and English teaching The second half of the book offers a collection of comprehensive practical schemes of work to inspire and support you and your students to realise the power of drama in bringing English language and literature vividly to life Suitable for a range of ages and abilities each activity makes explicit links to the key thinkers and issues explored in the first part of the book and explores a particular aspect of work in English from grammar and spelling to poetry and play texts Together with guidance on how to begin and progress the activities each sequence includes ideas for exploring issues further in the English classroom Written for English teachers at any stage of their career The English Teacher's Drama Handbook offers new ways of looking at drama and English that will ensure meaningful and enjoyable teaching and learning **The English Teaching Theatre** British Broadcasting Corporation. English by Radio and Television Department, 1978 **The English Teaching Theatre-video** Doug Case, Ken Wilson, Brian Bowles, Sue Chiverton, John Colclough, 1985 **Off-stage!** Doug Case, Ken Wilson, 1979 Creativity and English Language Teaching Alan Maley, Tamas Kiss, 2017-10-05 This book offers a unique perspective on creativity in an educational environment where there is a relative dearth of literature on this subject The authors link practice and principle to provide a practical and valuable guide for more creative language learning and teaching using not only theoretical ideas but useful practical advice and recommendations on how better to introduce creativity into teaching and daily life This innovative volume is sure to become a crucial reference point for teachers and practitioners of language teaching and anyone interested in the ways in which creativity can be channelled into the teaching and learning process **English Teaching in the Secondary School** Mike Fleming, David Stevens, 2015-05-15 English Teaching in the Secondary School is a comprehensive guide to the theory and practice of teaching English This updated 4th edition has been revised to take into consideration changes in national policy drawing on the most recent research and theory to produce engaging practical ideas for use in the classroom It challenges mechanistic and formulaic approaches to teaching instead placing an emphasis on reflection understanding and

informed practice Guiding students and new teachers through the whole process of English teaching in the secondary school this edition has been fully updated to include a report of the most recent developments in national policy discussion of multiple literacies and critical literacy a new chapter on English as an additional language a new chapter on cross curricular themes new sections on approaches to the teaching of grammar reflections on international developments in language teaching and their relevance a guide to further reading on resources and research Written in an accessible style with a wealth of advice and ideas English Teaching in the Secondary School forms essential reading for all those training to become secondary English teachers

Teaching English with Drama Mark Almond, 2005 How to teach English language students with drama for professional English language teachers This new book covers the exciting sector of teaching English language students using drama plays and with theatre techniques The book covers a wide range of subjects for teachers including how to plan class work choosing appropriate texts working with students with theatrical techniques modifying dialogue and lines for different levels of student stage management and how these all work together to improve language appreciation and learning using classic plays suggested characters resources beyond the textbook using stories songs games etc

Issues in English Teaching Jon Davison, John Moss, 2002-09-11 Issues in English Teaching invites primary and secondary teachers of English to engage in debates about key issues in subject teaching The issues discussed include the increasingly centralised control of the curriculum assessment and pedagogy in the school teaching of English in England and Wales as a result of initiatives such as the National Literacy Strategy new technologies which are transforming pupils lived experience of literacy or literacies the accelerating globalisation of English and the independence of other versions of English from English Standard English A National Curriculum with a nationalist perspective on language literacy and literature cannot fully accommodate English what has become naturalised and normalised in English teaching and the educational and ideological reasons for this hierarchies that have been created in the curriculum and pedagogy identifying who and what has been given low status excluded or marginalised in the development of the current model of English Issues in English Teaching will stimulate student teachers NQTs language and literacy co ordinators classroom English teachers and aspiring or practising Heads of English to reflect on the identity or the subject the principles and policies which have determined practice and those which should influence future practice
