The Englishmans Holiday A Social History Flares:

The Englishman's Christmas John Alfred Ralph Pimlott,1978 **Seaside Holidays** Stewart Ross,2002 Start Up History is a perfect introduction to history for young children Key information is presented through a combination of simple clear text and strong visual images Questionsask the reader to search for visual clues identifying differences and similarities between different periods The large format of the book enhances this presenting an ideal opportunity for detailed exploration and discussion Seaside Holidays helps children identify similarities and differences between seaside holidays taken today and those taken in the past Children are introduced to period specific aspects of seaside holidays geographical seaside features and seaside vocabulary Using contemporary and historical photographs children can discover the past with topics such as when we take holidays how we travel to the seaside and what we wear to go swimming Spas in Britain and in France in the Eighteenth and Nineteenth Centuries Annick Cossic-Péricarpin,Annick Cossic,Patrick Galliou,2006 Originating from the age old belief that water springing from the depths was endowed with healing properties spas which first blossomed in the West during the heyday of the Roman Empire again gained importance and fame in the 18th and 19th centuries as the increasing medicalisation of thermal water drew crowds to the best sited or best organised watering places of European economically developed countries As in most cases none but the social elites could afford to spend time and money in such spots investment followed both in terms of architecture and of leisure since visitors after having been convinced by their physicians high society journals or word of mouth had to be kept happy as well as made fit Simultaneously competition grew as spas vied for patronage both within national borders and across Europe the alleged quality of their waters being flaunted in the jingoistic battles of words which served as forerunners to the grislier actions of WW1 Being the major lieus of high society leisure and pleasure spas underwent the same decline as the prewar moneyed classes which patronized them and lost ground both to more exotic destinations and to seaside resorts which likewise promoted health and well being but in a less elitist environment and at a cheaper price Thalassotherapy grafting on the success of the latter and making much of the relaxation and physical fitness derived from natural elements such as seawater or seaweeds is the latest avatar of that long story which the papers of the conference held in Brest France in May 2005 here purport to tell **The Historian** ,1984
