

Esoteric Easter

To understand the esoteric significance of Easter we need to place Easter within a broader context. Easter falls at the full moon of Aries and esoterically considered is the first of a series of twelve Solar Fire or Full Moon Festivals that constitute the energetic year. There are three major spiritual Festivals which make up the high point in the annual cycle. These are the Festival of Easter at the full moon of Aries, the Festival of Wesak at the Taurus full moon, and the festival of Goodwill at the Gemini full moon. Through the steady meditative efforts of individuals and groups around the world these subjective energies are being anchored in the consciousness of humanity. They offer an approach to the Divine, to the Greater Life, to God — call it what you will.

Kuhn, 1996-09 Easter is the ceremonial that crowns all the other religious festivals of the year with its springtime halo of resurrected life it is to dramatize the final end in victory of man's long struggle through the inferior kingdoms of matter and bodily incarnation The Jewish Pesach and the Origins of the Christian Easter Clemens Leonhard, 2012-02-14 The study assesses the main issues in the current debate about the early history of Pesach and Easter and provides new insights into the development of these two festivals The author argues that the prescriptions of Exodus 12 provide the celebration of the Pesach in Jerusalem with an etiological background in order to connect the pilgrim festival with the story of the Exodus The thesis that the Christian Easter evolved as a festival against a Jewish form of celebrating Pesach in the second century and that the development of Easter Sunday is dependent upon this custom is endorsed by the author's close study of relevant texts such as the Haggada of Pesach the Poem of the four nights in the Palestinian Targum Tradition the structure of the Easter vigil The Easter Festival in the Evolution of the Mysteries Rudolf Steiner, 1988 4 lectures Dornach April 19 22 1924 CW 233a The original idea of any sacred festival is to make the human being look upward from his dependence on earthly things to those things that transcend the Earth from lecture 2 Rudolf Steiner leads us to an understanding of the true meaning of Easter by tracing its history from the pre-Christian era to our time He shows that it is ultimately through knowing the true significance of Easter that we come to understand our relationship to spiritual reality This book is a translation from German of Die Weltgeschichte in anthroposophischer Beleuchtung und als Grundlage der Erkenntnis des Menschengesistes GA 233a **The Esoteric**, 1888 Sammlung James McConkey Robinson, Jozef Verheyden, 2005 This volume brings the revised version of the full collection of 38 essays covering James Robinson's studies on Q from his 1964 breakthrough article on the genre of Q to the corpus of hotly debated contributions on Q 12 27 which he published between 1998 and 2002 and his detailed presentation of the Critical Edition of Q 2002 Edited by C Heil and J Verheyden **Masonic Symbolism of Easter and the Christ in Masonry: Foundations of Freemasonry Series** Joseph Fort Newton, H. perspectives and our emerging Cosmic Consciousness With the insight of a biblical scholar Starcke clarifies the foundational Truths of our Judeo Christian tradition as he takes humanity's spiritual roots forward into the light of the new state of human consciousness that is emerging today His masterful knowledge of Scriptures unlocks the truths laid out in both the Old and New Testament not found in other metaphysical books Starcke calls us to no longer separate God from our humanity and the world With this awareness we understand that the teachings of Jesus have not been fully realized until now as humanity begins the new cycle of the Age of the Gods The awareness that It's All God is a requirement for living fully in this new Age of the Gods which is this Golden Cycle we have just begun Starcke wrote that we have been given all the pieces each necessary none missing and if we want to complete the picture it is up to us to stop excluding those parts of ourselves and of our feelings that we have thought did not belong in the picture If God is truly the only Power and Presence then every piece no matter how seemingly negative insignificant or inappropriate has a purpose Instead of discarding those aspects of ourselves that seem faulty or unworthy when we stop judging them and see what they are telling us we can find a right place for those energies and then we can complete the puzzle In Part One his in depth knowledge takes us from the traditional approach through the Gnostics to clear insights on the teachings of Jesus and Paul Uniquely Starcke relates these teachings to modern Quantum Physics and the evolution of Consciousness Starcke is not only a Biblical scholar but also well versed in the workings of consciousness perceptions and reality Part One also includes Starcke's marvelous mystical insights and meditations In Part Two of It's All God Starcke gives us the how to's of practical mysticism to apply Divine Truth to our daily lives No matter where a reader is on the path he will find the steps to greater awareness and the clarification of the puzzle humanity has been working on for countless lifetimes We are all on the right path at the right time The time is Now These how to's are not superficial they require that we come to understand our True Self and live the Truth of our Being In part three Starcke takes us beyond our customary perspective into the realms of Higher Consciousness These take us clearly into the new cycle The Age of the Gods The realization that It's All God is the key to spiritual healing true transformative forgiveness and the daily expression of our Divine humanity It is a book whose time has come We are now ready as never before to delve into it's insights and live it's Truths It's All God is required reading for many ministerial programs and should now be required reading for us all to live fully during this new cycle far beyond 2012 Starcke was not only ahead of his time but a master for all Ages with tools for the rest of our journey in awareness as we live fully as Divine Humans
