Worthen,Sue Welsh Reed,Des Moines Art Center,Metropolitan Museum of Art (New York, N.Y.),1975 Because impressions are relatively rare Bellange's etchings cannot easily be seen There has been a recent surge in the appreciation of mannerist art evidenced by numerous publications and exhibitions It seemed appropriate to gather together all available etchings by Bellange and make them visible to a larger audience To the best of our knowledge such an exhibition has never before been held Moreover the catalogue provides an opportunity to reproduce all the prints and to make available in English information from Nicole Walch's excellent German publication as well as to publish the results of new research Point of View of the Exhibition page 6
