The Eternal Covenant:

The Eternal Covenant Ralph Allan Smith, 2003 In this book Ralph Smith delves deeper into the discussion at the intersection of covenant and trinitarian theology that he began with *Paradox and Truth* Though many Reformed theologians have recognized an agreement between the Father and the Son for the salvation of the human race few have explored the vast theological possibilities of an eternal covenant that involves all three persons of the Trinity Instead covenantal soteriology has focused on the so called covenant of works between God and Adam which turns out to be problematic both biblically and theologically Smith places the eternal covenant in the position it deserves the keystone of biblical and systematic theology with profound consequences for the Christian worldview *Promise of the Eternal Covenant* Abraham Park, 2015-08-04 Following his remarkable exegesis on the first and second periods of Jesus genealogy the best selling author in the fifth installment of *The History of Redemption* series covers the third and final period which spans the fourteen generations from the Babylonian exile to Jesus Christ *The Promise of the Eternal Covenant* sheds light upon the labyrinth like history of the 600 years before Jesus birth Throughout the book Rev Abraham Park demonstrates that God is sovereign over all history the rise and fall of nations kingdoms and empires occur all according to God s eternal decrees and providence His readers will be filled with assurance that God s promise of the Eternal Covenant will certainly be fulfilled Key features Redemptive historical discussions on the fourteen generations and their names in both biblical languages The generations omitted from the third period of Jesus genealogy and God s redemptive administration therein Everything you need to know about the Babylonian exile and the return therefrom An amazingly comprehensive chart which delineates Israel s history and chronology of the kings prophets and high priest for this era The chronological geopolitical and even redemptive historical relationships between Israel and the world s superpowers like Assyria Babylon Persia Greece Rome and Egypt The continuation of the line of the promised seed toward Christ in the turbulent transitions in world history This title is part of *The History of Redemption* series which includes Book 1 *The Genesis Genealogies* Book 2 *The Covenant of the Torch* Book 3 *The Unquenchable Lamp of the Covenant* Book 4 *God s Profound and Mysterious Providence* Book 5 *The Promise of the Eternal Covenant* *The Everlasting Covenant* John Gill, 2006-02 The everlasting covenant between God and His people The covenant and it s operations is carefully and clearly explained in all it s aspects Chapter headings include The Council between The Father Son and Spirit Properties of The Everlasting Covenant The Gospel Is The Everlasting Covenant The Eternal Covenant of Grace between the Father Son And Holy Spirit Christ The Mediator of the Covenant Christ The Covenant Head of the Elect The Spirit of God And The Covenant of Grace The Covenant of Grace in The Patriarchal Period The Covenant of Grace under the Mosaic Dispensation The Covenant of Grace in the Times of David and the Succeeding Prophets to the Coming of Christ *The Eternal Covenant* Avrohom Maslo, 2005 A collection of original thought provoking articles stories parables and poems covering a wide range of Jewish subjects This book will give the reader a refreshing new

perspective into various aspects of traditional Judaism Written in an informative engaging easy to understand style this book is sure to interest readers of all backgrounds with its eternal message that speaks to the soul within every Jew Topics include The Voice of the Shofar Anti Semitism Its Meaning for Us Is There a Future for the Secular Jew and Mourning the Beis haMikdash

Shelton,19?? *The Covenant & the Promises of God* Dr Lawrence Ajayi,2020-05-18 In this book the covenant and the promises of God the Father and God the Son had in an agreement regarding the elect being the children of God from the covenant statutes This covenant was made before the universe was created and it consisted of the Father promising to bring to the Son all whom the Father had to give the world The Eternal Covenant then leads to the Covenant of Grace Whereas the Eternal Covenant was made between the Father and the Son the Covenant of Grace was made between God and Man In this latter covenant God promises to Man eternal salvation based upon the sacrifice of Jesus on the cross The manifestation of that covenant occurs in our world in a sequence of additional covenants that God made with individuals This leads to liberation from poverty sicknesses and destruction Such as well and examples is well treated in this book from Abraham Isaac Jacob

Revelation of Jesus Christ Margaret Barker, 2000-05-01 A new and transforming approach to the Book of Revelation Margaret Barker bases her study on a fresh reading of the primary sources As an Old Testament scholar she can read Revelation as Hebrew prophecy ancient temple oracles which inspired Jesus and his own prophecies and influenced the

whole Jerusalem Church Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee This expectation fuelled the revolt against Rome Josephus who deserted to Rome was the false prophet John who escaped to Patmos compiled Revelation as a record of the first generation In the future he taught the Lord would return to his people in the Eucharist This work illuminates the formative years of Christianity in the social religious and political situation of mid first century Palestine in a quite remarkable way It will have profound implications for the understanding of Christian origins and the development of Christian liturgy
