## **The Eucharist Today:**

**Accept this Offering** Kenneth Stevenson, 1989      **Many Tables** Dennis E. Smith, Hal Taussig, 2001-01-31 What happens inside the church doors is its liturgy. It is there that life and fulfillment should be found but too often today liturgy seems stale and lacking in vitality. The problem is not a lack of faith so much as it is a lack of life in the liturgy itself. In our liturgies we have let our emphasis on preserving traditional forms and expressions overrule attempts to give vital expression to the life and faith of contemporary participants. This is especially true with that part of the liturgy that is known as the Lord's Supper or eucharist. Though the practice of this sacrament is still central to the piety of most Christians today here especially there is often a lifelessness and lack of connection with life as it is now lived. This need not be however. The tradition is alive with meaning that we have too often overlooked. And liturgy can more effectively address the contemporary situation if we can learn better how to apply it to the aesthetic and symbolic language of today's culture from chapter 1

**The Celebration of Eucharist** Enrico Mazza, 2016-03-24 Eucharistic liturgy has differed through the centuries and in different Churches. Because of these differences it is essential that eucharistic liturgy be studied from a historical perspective. In *The Celebration of the Eucharist* Enrico Mazza offers a thorough account of the theology of the Eucharist and presents a historical analysis of the origin and variety of eucharistic liturgies and their development in the Church. Beginning with the Last Supper, Father Mazza weaves his way through interpretations elaborated by the Fathers of the Church and medieval writers to provide the rich tapestry of concepts and categories adopted by Vatican Council II. Complete with an appendix including Jewish texts and early Eucharistic Prayers, abbreviations, bibliography, and notes, *The Celebration of the Eucharist* is a comprehensive source for those who have an interest in the theology of the Eucharist in the course of history. Chapters are: Old Testament Sacrifices and Ritual Meal; The Origin of the Christian Eucharist; From the Jewish Liturgy to the Christian Eucharist; Primitive Anaphoras; From the Didache to the Mystical Eucharist; Primitive Anaphoras; Developments of the Eucharistic Liturgy; Thematic Developments in the Eucharistic Liturgy; The Early Patristic Period: Tertullian and Cyprian; The Fourth Century; The Early Middle Ages; The Scholastic High Middle Ages; The Eucharist and the Relics of the Saints; The Reformation and the Council of Trent; The Liturgical Reform of Vatican Council II; The Implementation of the Liturgical Reform; The Parts of the Eucharistic Prayer; and The Last Supper and the Church's Eucharist. Enrico Mazza is professor of liturgical history at the Università Cattolica del Sacro Cuore in Milan. He is the author of *Mystagogy: A Theology of Liturgy in the Patristic Ages*, *Eucharistic Prayers of the Roman Rite*, and *The Origins of the Eucharistic Prayer*, published by The Liturgical Press.

**The Eucharist in the West** Edward J. Kilmartin, 2015-09-22 In the light of its own history the Catholic theology of the Eucharist as it is generally understood today is revealed as a splinter tradition whose deficiencies call for fundamental reformulation. The valid aspects of that theology, for example the recovery of the role of the Holy Spirit in the new Roman Eucharistic Prayers, must be identified and integrated with the faith and practice of the first theological

millennium when the *lex orandi* was not so dominated by the *lex credendi*. In the third theological millennium more attention to the content and structure of the classical Eucharistic Prayers of both East and West will result in a Catholic systematic theology of eucharistic sacrifice that is not only truer to its biblical and patristic foundations but also of ecumenical import closer to some of the theological insights of the Protestant Reformers. These highlights of *The Eucharist in the West* illustrate the great value of this posthumous work. Conceptually complete but in only rough draft form at the time of Father Kilmartin's death, it has been edited and prepared for publication by Robert J. Daly, S.J. Chapter one describes the characteristics of the eucharistic theology of the Western Latin Fathers. Chapter two identifies the more important orientations and developments of the Catholic tradition from early medieval Scholasticism up to the first part of the twelfth century. Chapter three singles out the special contribution of early Scholasticism to Latin eucharistic theology. Chapter four functions as a bridge from early Scholasticism to high Scholasticism by outlining the general approach to a synthetic theology of the Eucharist which was obtained at the beginning of the thirteenth century. Chapter five treats eucharistic theology from high Scholasticism to the Council of Trent. Chapter six summarizes the dogmatic teaching of the Council of Trent. This is followed in Chapter seven by a treatment of salient features of post-Tridentine Eucharistic theology. Chapter eight includes an analysis of the practice and theology of Mass stipends. Chapter nine includes a detailed analysis of Aquinas's theology of the eucharistic sacrifice. Chapter ten offers an account of some recent contributions to the formulation of a theology of the eucharistic sacrifice which have contributed to the modern average Roman Catholic synthesis.

Robert J. Daly, S.J. is a professor of theology at Boston College and former editor of *Theological Studies*. Edward J. Kilmartin, S.J. (1923-1994) professor for liturgical theology at the Pontifical Oriental Institute in Rome, taught theology first at the Weston Jesuit School of Theology and later at Boston College. He served as director of the doctoral program in liturgical studies at the University of Notre Dame.

**The Eucharist** Thomas O'Loughlin, 2015-01-29. Theological reflection upon the Eucharist is dominated by two paradigms. One approach interprets the Eucharist almost exclusively in theological terms shaped by Scholasticism and the Reformation. Most discussions about the nature of the Eucharist, Eucharistic presence or the role of the priest follow these categories even if they come in modern disguise. The other reads the Eucharist as an event which can be explored empirically. O'Loughlin develops a new understanding of the Eucharist. This can be done by looking afresh at the historical evidence and bringing it in dialogue with modern theology. In the past decades historical research and new discoveries have changed our view of the origins and the development of the Eucharist. By bringing history into a fruitful dialogue with sacramental and liturgical theology, he shows not only ways how theology and practice can be brought closer together again but also how current ecumenical divisions can be overcome. His book makes an important contribution to eucharistic theology both for individual church traditions as well as for ecumenical dialogues.

**Teilhard de Chardin on the Eucharist** Savary, Louis M., 2021. Reinterprets and reenvision traditional Eucharistic theology and related prayer forms to fit an evolving universe and introduces some of Teilhard's

evolutionary perspectives showing how the Eucharist is a living symbol of the ongoing incarnation or transubstantiation of the entire cosmos

**Models of the Eucharist, Second Edition** Irwin, Kevin W., 2020 In this book updated with the texts of the third edition of the Roman Missal Kevin Irwin reflects on the jewel in the crown of Catholicism the celebration of the Eucharist His book theological pastoral and contemporary is essentially concerned with issues about the Eucharist that face us today decades after the truly historic and unprecedented revisions that took after the Second Vatican Council Some of these concerns are the result of unforeseen developments about the Eucharist resulting from other factors for example the decline in numbers of clergy which has led in some places to Sunday celebrations without the Mass Other concerns arise from a lack of proper catechesis about the Mass and a keen desire to understand why and how the Eucharist is at the center of Catholic life In addition to being expressly theological this book is also expressly pastoral in that it is a reflection on the life lived by the church as it enacts the Eucharist and seeks to live out what the Eucharist celebrates The book is aimed at the audience of educated Catholics who seek a deeper appreciation of what the Eucharist is and who want to appropriate that understanding in the way they live their lives This book will be of particular interest to pastoral ministers both those present and those in training and the communities of faith whom they serve

**The Beauty of the Eucharist** Dennis Joseph Billy, 2009-09 This book examines what some of the most prominent voices of Christianity's distant past have taught about the Eucharist including Ambrose Basil the Great Gregory of Nyssa John Chrysostom Jerome and Augustine of Hippo A title for the Year of the Priest this book examines what some of the most prominent voices of Christianity's distant past have taught about the Eucharist The author's goal is to look at how the proponents of an emerging Christian orthodoxy understood celebrated and presented the Eucharist in the centuries immediately following the end of the apostolic era Father Billy has made a monumental contribution to the popularization of the Church Fathers at a time in the life of the religious community when being reminded of tradition is vital for the perpetuity of the faith By a careful sensitive and thoroughly readable exposure to the original texts of the Fathers this book provides the faith community and the individual with a very useful resource of the Church's teaching about the Eucharist If ever a time was right for such a reintroduction of the Fathers' teachings now is unquestionably the time John H Morgan Ph D President Graduate Theological Foundation Dennis Billy has done a masterful job of exposing us to almost 600 years of Christian belief on the Eucharist as reflected in the Fathers of the Church He reminds us that this living faith of the dead is part of our heritage something that we ignore only at our peril and loss His writing is clear practical and his treatment of each Father consistent He helps us to see how each writer adds to the mosaic and richness of our Eucharistic faith Especially helpful are the reflection questions that end each chapter as these force readers to plumb the depth of their own understanding and faith and to examine how the Eucharist affects the whole of their Christian lives I recommend it highly Paul Bernier SSS Editor Emmanuel Magazine

**The Authentic Doctrine of the Eucharist** Teresa Whalen, 1993 At the heart of Roman Catholicism lies the celebration of the Eucharist as it both expresses

and renews the living faith of Catholics Each new generation accepts the tradition even as it articulates its own authentic understanding and expression of the Eucharistic doctrine The Authentic Doctrine of the Eucharist documents the rich heritage of this living tradition The People's Celebration of the Eucharist Fintan Lyons,2025-04-03 The Eucharist is more than just a rite performed by a presiding priest in the presence of a congregation though for many centuries it was seen by so many to be just that The truth however is that its celebration when viewed as an activity of the People of God the Body of Christ means that there is a fundamental unity incorporating both ordained and non ordained From a deeper perspective the task becomes one of exploring what the togetherness of priest and people implies and finding a language to express it In other words what we are to understand by the people s participation and the people s celebration What does it mean when the presider the appropriate word not celebrant speaks of preparing to celebrate the sacred mysteries This book is about the changes introduced by the Second Vatican Council why they were made and their implications but also about the limitations of their effectiveness that emerge when the role of the faithful is considered in depth The issues can be stated in terms of establishing what people actually means when we talk of the people s celebration of the Eucharist and what it is they are celebrating The Liturgy of the Eucharist: An Introductory Guide Paul Monk,2024-04-30 Vestry Guides 3 The vast theology and enormous depth of the Eucharist explains why it has been central to Christian worship since the time of the apostles This modern guide to the Liturgy explores the Church of England s Common Worship form of service It explains and demystifies everything about the words actions traditions and meaning within the Eucharist service both implicit and explicit Throughout the explanations are printed facing the respective text of the service allowing the reader to follow through in real time as a service proceeds and thereby appreciate better the various parts and gain a fuller understanding of the liturgy The approach here is conceived for adult candidates for confirmation or considering reception into the church It is also an ideal introduction for anyone interested in learning more about the Anglican liturgy as well as an excellent resource for teaching and discussing its meaning **The Holy Eucharist** Aidan Nichols OP,2011-12-22 *The Active Participation of the Faithful in the Eucharist on the Basis of Common Priesthood* Stella Adamma Nneji,2018-06-15 One of the significant points of the Second Vatican Council is its emphasis on the status of the lay faithful in the church which includes active participation in the life of faith The council spoke of the active participation of all the faithful in liturgical celebrations on the basis of the common priesthood of the faithful which is conferred during baptism and through which every believer shares in the priestly kingly and prophetic offices of Christ In this book Stella Nneji develops an ecclesiological critical reflection on the teaching of the Second Vatican Council with regard to active participation Focusing especially on the church as people of God Nneji shows how the idea of participation is not merely a passive action but an active one Based on the ecclesiological reflection on the church as people of God and its relevance for active participation she maintains that Vatican II's vision on active participation is relevant to the upbuilding of the body of Christ church This vision integrates a critical thinking especially

regarding those places where the implementation of Vatican II's teachings seems difficult

**The Beauty of the Eucharist**, 2010 This book examines what some of the most prominent voices of Christianity's distant past have taught about the Eucharist. The author's goal is to look at how the proponents of an emerging Christian orthodoxy understood, celebrated, and presented the Eucharist in the centuries immediately following the end of the apostolic era. Dennis Billy has done a masterful job of exposing us to almost 600 years of Christian belief on the Eucharist as reflected in the Fathers of the Church. He reminds us that this living faith of the dead is part of our heritage, something that we ignore only at our peril and loss. His writing is clear, practical, and his treatment of each Father consistent. He helps us to see how each writer adds to the mosaic and richness of our Eucharistic faith. Especially helpful are the reflection questions that end each chapter, as these force readers to plumb the depth of their own understanding and faith and to examine how the Eucharist affects the whole of their Christian lives. I recommend it highly. Paul Bernier, Editor, Emmanuel Magazine

**Keeping Hope Alive**, Dermot A. Lane, 2005-01-26 Today more and more people are asking questions about human, social, and cosmic destiny: Does the universe have a purpose? What is the point of historical existence? What happens at death? What can we hope for? Is it possible to talk meaningfully about another world? In *Keeping Hope Alive*, Dermot A. Lane addresses these and other questions. The author sets out to develop a theology of hope rooted in both human experience and the Christian tradition. In discussing Christian belief, Lane pays particular attention to the death and resurrection of Christ as both the pivotal eschatological event and the fundamental ground of Christian hope. At the same time, he deals with contemporary human experience, addressing questions arising from the Marxist critique of Christianity, the nuclear threat, the ecological crisis, and the apparent emptiness of much post-modern thinking. Dermot Lane confronts difficult issues such as death, heaven, hell, purgatory, resurrection, reincarnation, and the possibility of universal salvation with realism and honesty. The end result is a new theological synthesis that takes account of recent developments in anthropology, feminism, and cosmology. This carefully crafted book will be of value to all who are asking searching questions about the meaning of living and dying.

**Eucharist and Social Justice**, The Margaret Scott, 2009-07-01 Argues that the Eucharist is deeply political and potentially subversive and explores some of the many different aspects of the inseparable relationship between Eucharist and social justice.

**The Catholic Faith In Easy Terms**, Independent, The teachings in this book are based on Holy Scripture and the Tradition of the Catholic Church, especially the First and Second Vatican Councils, the Catechism of the Catholic Church (CCC), the Fathers of the Church, especially St. Thomas Aquinas and St. Augustine, and the Magisterium of the Catholic Church, especially St. Paul VI, St. John Paul II, Pope Benedict XVI, and Pope Francis. This book is a simple and clear summary of the Catholic Faith. Please feel free to use it in order to evangelize or to teach.

**Eastern Orthodox Mission Theology Today**, James J. Stamoolis, 2001-11-02 The purpose of the ASM Series is to publish, without regard for disciplinary, national, or denominational boundaries, scholarly works of high quality and wide interest on missiological themes from the entire spectrum of scholarly pursuits, e.g., theology,

history anthropology sociology linguistics health education art political science economics and development to articulate but a partial list Always the focus will be on Christian mission By mission in this context is meant a cross cultural passage over the boundary between faith in Jesus Christ and its absence In this understanding of mission the basic functions of Christian proclamation dialogue witness service fellowship worship and nurture are of special concern How does the transition from one cultural context to another influence the shape and interaction of these dynamic functions Missiologists know that they need the other disciplines And other disciplines we dare to suggest need missiology perhaps more than they sometimes realize Neither the insider s nor the outsider s view is complete in itself The world Christian mission has through two millennia amassed a rich and well documented body of experience to share with other disciplines Interaction will be the hallmark of this Series It desires to be a channel for talking to one another instead of about one another Secular scholars and church related missiologists have too long engaged in a sterile venting of feelings about one another often lacking in full evidence Ignorance of and indifference to one another s work has been no less harmful to good scholarship The promotion of scholarly dialogue among missiologists may at times involve the publication of views and positions that other missiologists cannot accept and with which members of the Editorial Committee do not agree The manuscripts published reflect the opinions of their authors and are not meant to represent the position of the American Society of Missiology or the Editorial Committee of the ASM Series We express our warm thanks to various mission agencies whose financial contributions enabled leaders of vision in the ASM to launch this new venture The future of the ASM series will we feel sure fully justify their confidence and support William J Danker Chairperson ASM Series Editorial Committee     Eucharist: Symbol of Transformation William R. Crockett,2017-04-21 Doctor Crockett traces the evolution of Eucharistic traditions traditions which reflect the cultural diversity characteristic of the regions in which they were produced and compares them to our Eucharistic celebrations today exploring as well the relationship between Eucharist and justice     Eucharist and Globalization Claudio Carvalhaes,2013-10-30 The ritual of eating and drinking together is one of the most important Christian events Often called Eucharist Lord s Supper or Communion this sacrament is about the presence of Christ transforming not only those who participate in it but also the world In this book the author engages this Christian liturgical act with movements of people around our globalized world and checks the sacramental borders of hospitality The author calls our attention to the sacramental practices of Reformed churches and from this liturgical practice challenges Christian churches to expand the borders of hospitality Engaging several critical lenses around the notion of the sacrament namely Greco Roman meals Calvin s theology and feminist and Latin American theologies the author challenges theological and liturgical understandings of the Eucharist He fosters an interreligious dialogue around the table and ends up using ritual theory to expand the circles of traditions vocabularies and practices around the sacrament Proposing a borderless border eucharistic hospitality the author encourages readers to ask who and where we are when we get together to eat and drink

and how this liturgical act around Jesus table meal can transform the lives of the poor our communities societies and the world
