The European Perspective Transnational Party Groups In The 1989-1994 European Parliament

**Knud Erik Jørgensen, Mark Pollack, Ben
Rosamond**

The European Perspective Transnational Party Groups In The 1989-1994 European Parliament:

European Foreign Policy and the European Parliament in the 1990s Donatella M. Viola, 2019-06-04 This title was first published in 2000 This book investigates the European Parliament's stance vis-à-vis the 1990-1991 Gulf and 1991-1992 Yugoslav crises In unveiling the parliamentary multi-faceted view of these events reference has been made to the positions taken by constituent political groups and their voting behaviour In particular the following questions have been addressed: Has the European Parliament sought to define and shape a common foreign policy with respect to the above crises? What specific functions have the European Parliament political groups performed? Have political groups succeeded in achieving an internal cohesion? Has the European Parliament overcome divisions among its members through the formation of party coalitions? Despite the considerable flow of published material on external relations of the European Union and the European Parliament virtually no study has explored in depth the links between these two areas The purpose of this book is to fill the gap in the existing literature breaking new ground by combining a qualitative and quantitative analysis of parliamentary behaviour with foreign policy

The European Perspective Tapio Raunio, 2019-05-23 First published in 1997 this volume provides a data-rich analysis of the party groups in the European Parliament Their internal organisation, cohesion and coalition behaviour are examined The main argument is that their internal organisation is a crucial factor in explaining the behaviour of EP party groups Roll-call analysis is used to measure group cohesion and coalition behaviour The concept of representation in the transnational EP is studied by a content analysis of members' written questions The concluding section sets the work into a broader context by discussing the future of Europarties

The Ashgate Research Companion to Regionalisms J. Andrew Grant, 2016-03-23 EU studies increasingly recognize the salience of new regional insights Hence this collection of original essays provides a broad overview of regionalism together with detailed analyses on the construction, activities and implications of both established and emerging examples of formal political and economic organizations as well as informal regional entities and networks Aimed at scholars and students interested in the continuing growth of regionalism The Ashgate Research Companion to Regionalisms is a key resource to understanding the major debates in the field Organized into three main sections this volume deals with a wide range of issues covering the following important research areas: Section one covers theoretical and methodological approaches to the study of established and formal regionalism, emerging and informal regionalism, inter-regionalism and levels of regionalism Section two provides detailed case studies of established and formal regionalisms: EU, NAFTA, ASEAN, SAARC, OAS, MERCOSUR, AU, ECOWAS and SADC Section three offers case studies that investigate emerging and informal regionalisms in Oceania, the Arab League, BRICSAM and the Commonwealth, as well as thought-provoking chapters on micro-regional processes evident in spatial development, initiatives, transnational gangs, transfrontier conservation areas and the migration-conflict nexus in natural resource sectors With the study of regionalism becoming an increasingly important part of politics, international relations, development and

global studies courses this comprehensive volume is a valuable addition for classroom use *Parliamentary Diplomacy in European and Global Governance* Stelios Stavridis, Davor Jancic, 2017-02-06 In *Parliamentary Diplomacy in European and Global Governance* 27 experts from all over the world analyse the fast expanding phenomenon of parliamentary diplomacy Through a wealth of empirical case studies the book demonstrates that parliamentarians and parliamentary assemblies have an increasingly important international role The volume begins with parliamentary diplomacy in Europe because the European Parliament is one of the strongest autonomous institutional actors in world politics The study then examines parliamentary diplomacy in relations between Europe and third countries or regions Mexico Turkey Russia the Mediterranean before turning attention to the rest of the world North and South America Asia Africa and Australia This pioneering volume confirms the worldwide nature and salience of parliamentary diplomacy in contemporary global politics

Becoming Europeans? Roger Scully, 2005-08-25 An almost universal point of agreement in contemporary political science is that institutions matter But the governing institutions of the European Union are widely presumed to matter more than most A commonplace assumption about the EU is that those working within European institutions are subject to a pervasive tendency to become socialized into progressively more pro integration attitudes and behaviours The assumption has been integral to many accounts of European integration and is also central to how scholars study individual EU institutions However the theoretical and empirical adequacy of this assumption has never been properly investigated A serious study of whether political actors in the EU do tend to go native or not and why is long overdue This study examines this question in the context of an increasingly important EU institution the European Parliament The book integrates new theoretical arguments with a substantial amount of original empirical research It develops a coherent understanding based on simple rationalist principles of when and why institutional socialization is effective This theoretical argument explains the main empirical findings of the book Drawing on several sources of evidence on MEPs attitudes and behaviour and deploying advanced empirical techniques the empirical analysis shows the commonplace assumption about EU institutions to be false European Parliamentarians do not become more pro integration as they are socialized into the institution The findings of the study generate some highly important conclusions They indicate that institutional socialization of political elites should be given a much more limited and conditional role in understanding European integration than it is accorded in many accounts They suggest that MEPs remain largely national politicians in their attitudes loyalties and much of their activities and that traditional classifications of the European Parliament as a supra national institution are misleading Finally the study offers broader lessons about the circumstances in which institutions effectively socialize those working within them

Immigration and Politics in the New Europe Gallya Lahav, 2004-04-22 With almost a quarter of the world's migrants Europe has been attempting to regulate migration and harmonize immigration policy at the European level The central dilemma exposed is how liberal democracies can reconcile the need to control the movement of people with the desire to

promote open borders free markets and liberal standards Gallya Lahav's book traces ten years of public opinion and elite attitudes toward immigration cross nationally to show how and why increasing EU integration may not necessarily lead to more open immigration outcomes Empirical evidence reveals that support from both elite and public opinion has led to the adoption of restrictive immigration policies despite the requirements of open borders Unique in bringing together original data on European legislators and national elites longitudinal data on public opinion and institutional and policy analyses this 2004 study provides an important insight into the processes of European integration and globalization more broadly

European Union Politics Michelle Cini, 2007 With its established authority and reputation the new edition is an invaluable resource Michelle Cini has brought together a team of international contributors each specialising in a different field of EU politics The book is divided into five parts and deals with the history of the European integration process theories of European integration the European institutions a select number of European policy areas and issues of relevance to the study of EU politics The second edition has been updated throughout to reflect recent developments and there are four new chapters on the constitutional treaty CFSP and ESDP the single market and public opinion This book is supported by a cutting edge Online Resource Centre Student resources Interactive timeline BRAND NEW HE ONLINE RESOURCE Interactive map of Europe with facts key dates and web links for all the EU countries BRAND NEW HE ONLINE RESOURCE Maps Case studies Web links Information on key articles and books Flashcard glossary Multiple Choice Questions Lecturer resources PowerPoint slides

The Engines of European Integration Mark A. Pollack, 2003-03-13 The European Union is composed of its fifteen member governments yet these governments have chosen repeatedly to delegate executive judicial and legislative powers and substantial discretion to supranational institutions such as the Commission the Court of Justice and the European Parliament In The Engines of European Integration the first full length study of delegation in the European Union and international politics Mark Pollack draws on principal agent analyses of delegation agency and agenda setting to analyze and explain the delegation of powers by governmental principals to supranational agents and the role played by those agents in the process of European integration In the first part of the book Pollack analyses the historical and functional patterns of delegation to the Commission the Court of Justice and the Parliament suggesting that delegation to the first two is motivated by a desire to reduce the transaction costs of EU policymaking as predicted by principal agent models while delegation of powers to the Parliament fits poorly with such models and primarily reflects a concern by member governments to enhance the democratic legitimacy of the Union The second part of the book focuses on the role of supranational agents in both the liberalization and the re regulation of the European market and suggests that the Commission Court and Parliament have indeed played a causally important role alongside member governments as the engines of integration but that their ability to do so has varied historically and across issue areas as a function of the discretion delegated to them by the member governments

The Europeanization of National Political Parties Thomas Poguntke, Nicholas Aylott, Elisabeth

Carter, Robert Ladrech, Kurt Richard Luther, 2007-02-12 This is a detailed exploration of how national political parties have responded to the increasing relevance of European governance The Europeanization of National Political Parties is the first empirical study to examine the effects of the European Union on the internal organizational dynamics of national political parties It draws on the results of a major cross national project and is based on documentary analysis and some 150 interviews with senior party actors in six EU member states Austria Britain France Germany Spain and Sweden Situated in the context of the debate on Europeanization the contributors illustrate that national political parties have been surprisingly well equipped to handle the challenges of the increasing importance of multi level governance in Europe Following a rigorous analytical framework the country studies examine thirty relevant political parties and systematically address a clearly defined set of empirical questions The volume ends with two comparative chapters that analyze the findings from a cross national perspective and that offer theoretical insights into the problems of party government amid increasing European integration This text will appeal to all those researching in the fields of European studies political science and comparative politics

Second Chambers Nicholas Baldwin, Donald Shell, 2013-01-11 Notwithstanding the fact that among the parliaments of the world 38 per cent have Second Chambers 67 out of 179 Second Chambers themselves have only rarely been the focus of attention from politicians and have almost totally been ignored by academics This work sets about examining them *The European Parliament's Committees* Richard Whitaker, 2011-04-05 This book analyzes the development of the European Parliament's EP committees and their relationship with national political parties in the light of the EP's increased legislative role over the last three decades The book argues that national parties have a greater incentive to care about what goes on in the EP given the growth in its legislative power Because most of the EP's detailed legislative work takes place in its committees national parties should be concerned about their involvement with the EP's committee system Based on extensive original research this book shows how the EP's committees have changed over time in response to legislative empowerment and analyzes how national parties and individual MEPs use the committee system to further their policy goals The book makes a theoretical contribution by providing an explanation for the variation in powers of committees between separated and fused systems of government and by adapting theories of legislative organization developed in the context of the US Congress to the EP The European Parliament's Committees will be of interest to students and scholars studying the European Parliament EU institutions policy making and the development of legislatures and political parties Ibss: Political Science: 1997 British Library of Political and Economic Science, 1999-01-14 Provides an unrivalled overview of intellectual development in political science **The Role of Political Parties in the European Union** Bjorn Lindberg, Anne Rasmussen, Andreas Warntjen, 2013-09-13 At the national level political parties play an important role in making representative democracy work They help to aggregate and communicate policy preferences link decision making between different legislative bodies and hold politicians accountable In the European Union however the electoral connection

is weak This casts doubt on the impact of partisan politics at the European level Are political parties able to fulfil their role as transmission belts ensuring political accountability and consistent decision making in the European Union To answer this question we look at the micro foundations of partisan politics in the European Union The contributions in this volume all depart from a common theoretical framework but use a wide range of empirical data and research designs covering qualitative process tracing elite interview and large N quantitative analysis Moreover they examine party effects in the electoral and legislative arena Finally the volume covers all European institutions the Commission the Council of the European Union the European Council and the European Parliament The findings enhance our understanding of the workings of decision making in Brussels add to the debate on the EU democratic deficit and highlight the usefulness of drawing upon insights from the literature on Comparative Politics when studying the European Union This book was published as a special issue of the Journal of European Public Policy

The Handbook of Rational Choice Social Research Rafael Wittek, Tom A.B. Snijders, Victor Nee, 2013-06-05 The Handbook of Rational Choice Social Research offers the first comprehensive overview of how the rational choice paradigm can inform empirical research within the social sciences This landmark collection highlights successful empirical applications across a broad array of disciplines including sociology political science economics history and psychology Taking on issues ranging from financial markets and terrorism to immigration race relations and emotions and a huge variety of other phenomena rational choice proves a useful tool for theory driven social research Each chapter uses a rational choice framework to elaborate on testable hypotheses and then apply this to empirical research including experimental research survey studies ethnographies and historical investigations Useful to students and scholars across the social sciences this handbook will reinvigorate discussions about the utility and versatility of the rational choice approach its key assumptions and tools

The European Parliament Richard Corbett, Francis Jacobs, Michael Shackleton, 2005 Now in its sixth edition this is a textbook on the European Parliament covering every aspect of how it is organized its powers and its procedures

Pan-European Perspectives on Party Politics Paul Lewis, Paul Webb, 2021-10-01 In this book an international team of specialists reflects more than a dozen years after the fall of the Berlin Wall on the implications of that momentous conjuncture for the study of party politics in Europe In particular the authors and editors seek to address two inter connected questions To what extent is there evidence of convergence in patterns of party politics across Eastern and Western Europe And how far has the theory of parties and party systems coped with the emergence of democratic politics in Eastern Europe In a wideranging and stimulating set of essays these issues are confronted in respect of themes such as the impact of institutional contexts like electoral systems and presidentialism the evolving nature of cleavage structures party organizational developments and intra party factionalism This book will make a significant addition to any course reading list on comparative and party politics

The European Parliament in Times of EU Crisis Olivier Costa, 2018-11-24 This book assesses the many changes that have occurred within

the European Parliament and in its external relations since the Lisbon treaty 2009 and the last European elections 2014 It is undoubtedly the institution that has evolved the most since the 1950s Despite the many crises experienced by European integration in the last years the Parliament is still undergoing important changes in its formal competences its influence on policy making its relations with other EU institutions its internal organisation and its internal political dynamics Every contribution deals with the most recent aspects of these evolutions and addresses overlooked topics providing an overview of the current state of play which challenges the mainstream intergovernmental approach of the EU This project results from research conducted at the Department of European Political and Governance Studies of the College of Europe Individual research of several policy analysts of the European Parliamentary Research Service EPRS have contributed to this endeavour

The SAGE Handbook of European Union Politics Knud Erik Jørgensen, Mark Pollack, Ben Rosamond, 2007-01-03 This volume is one to which anyone trying to make sense of the EU of the early 21st century will return again and again A terrific line up that combines diverse talents from North America and Europe Few books of this kind could live up to the billing definitive benchmark but this one certainly does John Peterson University of Edinburgh A most useful book that can be highly recommended A strong analytical framework coupled with unparalleled coverage of the major issues of the political science research of the EU makes this volume a formidable tool for teaching and a significant input to new scholarly research It is both relatively sophisticated and very accessible to graduate students and advanced researchers The clear writing style and the richness of information presented will certainly make this book interesting for non academic readers Igor Vidacak Institute for International Relations Zagreb Journal of Common Market Studies An admirably comprehensive source book for those interested in how the tools of political science inspire EU area studies The editors enlist leading researchers to synthesize the state of the art in their field of expertise The Handbook of European Union Politics will be an indispensable intellectual resource for researchers teachers and graduate students of the European Union Liesbet Hooghe University of North Carolina at Chapel Hill USA Presents an excellent overview of political science research on the EU It finds the right balance between establishing the state of the art and pointing the reader to theoretical diversity Highly recommended for advanced students and scholars looking for quick and solid orientation in a fragmented field and for new ideas for research Frank Schimmelfennig ETH Zurich Switzerland This is a milestone in the study of EU politics The authors include the most knowledgeable practitioners in the field and collectively they provide a comprehensive and highly competent overview of the state of theory and research on EU institutions politics and policies Fritz Scharpf Max Planck Institute for the Study of Societies Germany The European Union EU poses quite profound questions for scholars and students of the social and political sciences This benchmark handbook is designed to provide an authoritative state of the art guide to the scope of the field suitable for both established scholars and students of the EU reflect and contribute to the debates about the nature of the field of EU studies and EU politics in particular explore in detail the development of the many approaches to the study of

EU politics Divided into four sections the Handbook focuses on theorizing European integration the EU as polity politics and policy making in the EU and the EU and the international system Its appeal will reside not only in its comprehensive and authoritative coverage of the field but also in the quality of its contributors and the diversity of theoretical and methodological approaches included The resulting volume is a must have for all scholars and advanced students of the EU and European integration

Democratic Politics in the European Parliament Simon Hix, Abdul G. Noury, Gérard Roland, 2007-04-19 With the European Parliament comprising politicians from many different countries cultures languages national parties and institutional backgrounds one might expect politics in the Parliament to be highly fragmented and unpredictable By studying more than 12 000 recorded votes between 1979 and 2004 this 2007 book establishes that the opposite is in fact true transnational parties in the European Parliament are highly cohesive and the classic left right dimension dominates voting behaviour Furthermore the cohesion of parties in the European Parliament has increased as the powers of the Parliament have increased The authors suggest that the main reason for these developments is that like minded MEPs have incentives to form stable transnational party organizations and to use these organizations to compete over European Union policies They suggest that this is a positive development for the future of democratic accountability in the European Union

The European Ambition Luciano Bardi, Wojciech Gagalek, Carine Germond, Karl Magnus Johansson, Wolfram Kaiser, Silvia Sassano, 2020-08-18 Die Studie beschreibt die institutionelle organisatorische und politische Entwicklung der EVP Fraktion im Europäischen Parlament und konzentriert sich dabei auf die Periode nach den ersten Direktwahlen im Jahr 1979 Auf diese Weise beleuchtet das Buch das Funktionieren der Parlamentsfraktionen und erweitert unser Wissen über ihre Rolle in der europäischen Integration und im politischen System der EU Basierend auf dem konzeptionellen Rahmen verschiedener Disziplinen Geschichte Politikwissenschaft Europastudien politische Soziologie ist das Buch das Ergebnis eines Forschungsprojekts an dem Wissenschaftler mit unterschiedlichem akademischen Hintergrund und aus verschiedenen EU Ländern beteiligt waren

The European Perspective Transnational Party Groups In The 19891994 European Parliament Introduction

In the digital age, access to information has become easier than ever before. The ability to download The European Perspective Transnational Party Groups In The 19891994 European Parliament has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The European Perspective Transnational Party Groups In The 19891994 European Parliament has opened up a world of possibilities. Downloading The European Perspective Transnational Party Groups In The 19891994 European Parliament provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The European Perspective Transnational Party Groups In The 19891994 European Parliament has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The European Perspective Transnational Party Groups In The 19891994 European Parliament. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The European Perspective Transnational Party Groups In The 19891994 European Parliament. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The European Perspective Transnational Party Groups In The 19891994 European Parliament, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The European Perspective Transnational Party Groups In The 19891994 European Parliament has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and

book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The European Perspective Transnational Party Groups In The 19891994 European Parliament Books

What is a The European Perspective Transnational Party Groups In The 19891994 European Parliament PDF? A

PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The European Perspective Transnational Party Groups In The 19891994 European Parliament PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a The European Perspective Transnational Party Groups In The 19891994 European Parliament PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The European Perspective Transnational Party Groups In The 19891994 European Parliament PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The European Perspective Transnational Party Groups In The 19891994 European Parliament PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by

their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
