The Everyday Song:

The World of Roman Song Thomas N. Habinek, 2005-07-27 In this bold work Thomas Habinek offers an entirely new theoretical perspective on Roman cultural history. Although English words such as literature and religion have their origins in Latin, the Romans had no such specific concepts. Rather, much of the sense of these words was captured in the Latin word *carmen*, usually translated into English as song. Habinek argues that for the Romans, song encompassed a wide range of ritualized speech, including elements of poetry, storytelling, and even the casting of spells. Habinek begins with the fraternal societies or *sodalitates* which predated the Republic and endured into the Imperial era and whose rites, although adapted over time to different deities and cults, were from the beginning centered on song, perhaps most notably in the ancient *Carmen Saliare*. He goes on to show how this early use of song became a paradigm for cultural reproduction throughout Roman history. Ritual mastery of the chaos of everyday life embodied and enacted in song produced and transmitted the beliefs on which Roman culture was founded and by which Roman communities were sustained. By the emergence of the Empire, song in all of its senses served in particular to reproduce the power of the state, organizing relations of power at every level of society. Sing a NEW Song to the LORD Everyday: Daily Devotions of Praise & Worship to Lift Your Heart & Glorify HIS Name Gerard Assey, 2024-11-20 Sing a NEW Song to the LORD Everyday Daily Devotions of Praise Worship to Lift Your Heart Glorify HIS Name is an inspiring devotional designed to guide you into a deeper relationship with God through daily praise and worship. Rooted in Scripture, this book explores the transformative power of singing a new song to the Lord, offering reflections that uplift the heart and magnify His glory. Each devotional is crafted to help you discover how fresh worship renews your spirit, strengthens your faith, and draws you closer to God. You'll find profound insights on how your worship impacts others, inspires unity, and declares His kingdom to the nations. Whether you're seeking to deepen your connection with God, foster gratitude, or inspire a culture of worship, this book will equip you to experience the joy of singing a new song every day. Let this journey of daily praise transform your life and glorify the name above all names.

Ukrainian Epic and Historical Song Natalie Kononenko, 2019-04-08 Ukrainian epic or *dumy* were first recorded from blind mendicant minstrels in the nineteenth century, yet they reflect events dating back to as early as the 1300s. *Ukrainian Epic and Historical Song* provides new translations in contemporary English of these songs of family strife, war, and human dignity. It also explains the historical events celebrated in epic and other historical songs: fierce battles, rebellion against tyranny, the struggles of captivity, the joys of escape from slavery. Natalie Kononenko's expert translation and analysis of Ukrainian epics provides a sweeping social history of folklore that is vital to Ukrainian identity. A translation of at least one variant of every known epic is included. Whereas earlier trends in folklore scholarship emphasized genre purity and compartmentalization, Kononenko critically examines the events about which songs were sung. Her emphasis on the lives of ordinary people rather than on leaders reshapes our understanding of how epics were composed and performed.

Kononenko's ground breaking analysis also illuminates Ukrainian self understanding and explains how songs preserve and perpetuate historical memory Scholars interested in epic song history and general folklore will benefit from this work Members of the Ukrainian diaspora will find new appreciation of Ukrainian folklore

Worlds at War, Nations in Song Kendra Haloviak Valentine, 2015-01-12 Rather than representing the book of Revelation as a single apocalyptic genre Kendra Haloviak Valentine demonstrates that the work in fact reflects several genres apocalyptic prophetic and liturgical within the overall framework of an epistle This study focuses on the sixteen hymns a largely neglected part of the literary construction of the work Responding to the insight of Mikhail Bakhtin that literary genres carry ways of thinking about the world this important study calls attention to the multiple voices within the text that need to be heard voices that soften the book's transcendent future focus so that it is not allowed complete dominance Hymns as the sites of colliding and collaborating genres engage the reader *Worlds at War Nations in Song* explores the role of these liturgical elements within the moral enterprise to suggest that the book of Revelation provides readers with a moral vision linking the future with the present Readers are called to respond in worship and witness By calling attention to the multiple voices within Revelation Haloviak Valentine demonstrates the invalidity of seeking one correct interpretation Recognizing this dialogic approach may help prevent the misinterpretations that led to such tragedies as Waco and Jonestown

Transatlantic Malagueñas and Zapateados in Music, Song and Dance Walter Aaron Clark, K. Meira Goldberg, 2019-06-20 *Transatlantic Malagueñas and Zapateados* is an exploration of two fandango dances recording the circulations of people imagery music and dance across what were once the Spanish and Portuguese Empires Although these dance musics seem to be mirror images the unbreachable space between them reflects the political fault lines along which nineteenth century musical populism and folkloric nationalism extend into present day debates about globalization immigration neoliberalism and neofascism If malagueñas are a fantastic incarnation of Spanishness caught like a fly in amber by their anachronistic references to a fraught imperial past noisy and raucous zapateado dances cut toward the future Inherently marked by European conventions of zapatos shoes zapateados are nonetheless shaped by Africanist and Native American footwork traditions In these Afro-Indigenous mestizajes not only are European aesthetic values reordered and resignified but the Catholic catechism which indoctrinated the New World yields to alternate spiritual systems springing out of a culture of resistance to European domination

The Sick Bag Song Nick Cave, 2016-03-03 *The Sick Bag Song* chronicles Cave's 22 city journey around North America in 2014 Racked by romantic longing and exhaustion Cave teases out the significant moments the people the books and the music that have influenced and inspired him and drops them into his sick bag The book began its life scribbled onto airline sick bags and later evolves into a restless contemporary epic exploring love loss inspiration and memory

You Can't Go to War Without Song Omotayo Jolaosho, 2022-07-26 *You Can't Go to War without Song* explores the role of public performance in political activism in contemporary South Africa Weaving together detailed ethnographic fieldwork and an astute theoretical framework Omotayo Jolaosho examines the cohesive power of protest songs and dances within the Anti Privatisation Forum APF one of many social movements that emerged in the wake of South Africa's democratic transition after 1994 Jolaosho demonstrates the ways APF members adapted anti apartheid songs and dance to create new expressive forms that informed and commented on their struggles for access to water electricity housing education and health facilities the costs of which had been made prohibitive by privatization *You Can't Go to War without Song* offers profiles of individual activists to amplify its central point social movements like the APF are best understood as the coming together of individuals and it is the songs and dances of the movement that bind these individuals together and create opportunity for community organization Chapters on women and youth complicate such understandings of community however showing how activist lives and experiences are shaped by gender and generation

For the Sake of a Song Marett, Allan, Barwick, Linda, Ford, Lysbeth, 2013-06-27 Wangga originating in the Daly region of Australia's Top End is one of the most prominent Indigenous genres of public dance songs This book is organised around six repertoires four from the Belyuen based songmen Barrtjap Muluk Mandji and Lambudju and two from the Wadeye based Walakandha and Ma yawa wangga groups the repertoires being named after the ancestral song giving ghosts of the Marri Tjavin and Marri Ammu people respectively Framing chapters include discussion of the genre's social history musical conventions and the five highly endangered languages in which the songs are composed The core of the book is a compendium of recordings transcriptions translations and explanations of over 150 song items Thanks to permissions from the composers families and a variety of archives and recordists this corpus includes almost every wangga song ever recorded in the Daly region

Language, the Singer and the Song Richard J. Watts, Franz Andres Morrissey, 2019-01-31 The relationship between language and music has much in common rhythm structure sound metaphor Exploring the phenomena of song and performance this book presents a

sociolinguistic model for analysing them Based on ethnomusicologist John Blacking's contention that any song performed communally is a folk song regardless of its generic origins it argues that folk song to a far greater extent than other song genres displays communal or inclusive types of performance The defining feature of folk song as a multi modal instantiation of music and language is its participatory nature making it ideal for sociolinguistic analysis In this sense a folk song is the product of specific types of developing social interaction whose major purpose is the construction of a temporally and locally based community Through repeated instantiations this can lead to disparate communities of practice which over time develop sociocultural registers and a communal stance towards aspects of meaningful events in everyday lives that become typical of a discourse community
