tempo for our work and play Each of us awakens each day to relive this primordial narrative With his signature blend of science and poetry history and mythology Michael Sims serves as tour guide on an unforgettable journey through the wonders of an ordinary day from dawn to nighttime Long before we had the tools of knowledge to explain what we observed in the skies overhead we built mythologies and folklore around these occurrences immortalized them in poetry and art created special places for them in our collective imagination and even our language In Apollo's Fire Sims explores the celestial events that form our days fusing lively explanations of these phenomena with a richly layered history of what they meant to us before we knew how they worked He explains the colors of sunrise the characteristics of shadow the mysteries of twilight Characters in this vital drama include Galileo watching sunrise on the moon Eratosthenes measuring the Earth with a noontime shadow and Edgar Allan Poe figuring out why the night sky is dark instead of glowing with the light of a million suns Our story ranges from the movie High Noon to Darwin's plant experiments from The Time Machine to the afternoon rise in air pollution In the witty and elegant style that has earned him the designation science raconteur Sims weaves a dazzling array of strands into a single tapestry of daily experience and makes the oldest story on Earth new again **The Champion**

**Me in the Eye** Caryl Wyatt, 2013-10-31 Caryl's story is a rare gift as it provides insight into an epidemic that brews behind closed doors in more homes than we would care to imagine If statistics are accurate the prevalence of abuse is much higher because domestic violence is notoriously under reported then up to 25% of the female population suffers abuse at home every week In fact as much as 80% of violence against women is at the hands of the men who supposedly love them If we care at all for our humanity society as a whole needs to take up Caryl's mantra of Abuse Is No Excuse Few understand the nature or the power of abuse and why someone chooses to stay in an ongoing abusive relationship However in reading Caryl's story she allows us to put ourselves in her place and we are left to wonder if we would have been able to do it any differently given her history and her reality This is the gift that Caryl brings with her story and the honest way in which it is told she makes it possible to move outside of ourselves and our own realities judgments and prejudices so that we are able to walk the journey of another This is a rare opportunity to truly live the life of a victim of abuse and to understand from a safe vantage point the powerlessness hopelessness and desperation Caryl falsely believed she was powerless to leave Out on the

street with no money without work and nowhere to go after a failed third marriage she didn't make the choice to leave but she did make the choice to survive Caryl chose to learn and understand the nature of domestic violence its root and its cure All addictions are one day at a time journeys to recovery join Caryl on hers Praise received for Look Me in the Eye One of the best personal odyssey stories I have ever read Dr Sam Vaknin author of Malignant Self Love Look Me in the Eye is a rare opportunity for us to truly live the life of a victim of Domestic Violence and to understand from a safe vantage point the powerlessness hopelessness and desperation Alison author of I Have Life About the Authors CARYL WYATT was born in Rhodesia in 1950 where she was brought up in a variety of broken homes She was abused by her step father as a child She moved to South Africa as a wide eyed 18 year old and entered the world of modeling She has 3 broken marriages behind her but today as witnessed in her book has come to terms with her past She lives in Johannesburg Visit Caryl's web site [www.abuseisnoexcuse.co.za](http://www.abuseisnoexcuse.co.za) ANITA LE ROUX was born in Gauteng South Africa She spent twenty years as a television producer before switching careers to writing As storyteller both in film and in print she has been enthused by the true life stories of women The insights into Caryl's story were grounded in her passionate interest in spiritual psychology Pupils of the Eye Natasha Hoffman, 2019-02-28 This book is about the Intuitive Wisdom of the Third Eye and how over time we have lost our ability to trust it which in turn has disempowered us In these pages we learn of the Wisdom Keepers of old the Astronomer Priests and the six Archangels who created the sacred paths of energy those that we call ley lines and the other grids that encircle our planet It was on these flows of energy that the Astronomer Priests set up wisdom schools where the wisdom of the Eye was taught to initiates who were known as Pupils of the Eye And our ancestors marked and used these sacred sites all over our planet for the temples churches standing stones and circles that still attract those many people who respond to a deep soul calling This book shows too that comprehension of the old myths and legends and the folk tales of all continents can be a vital pathway to trusting in our own intuition and provides an understanding of life on this planet and helps us to reconnect with our place in the Universe The Eye of Cybele Daniel Chavarría, Carlos Lopez, 2005 Paperback reissue of the Ancient Greek thriller nominated for an Anthony Award and a 2004 IMPAC Dublin Literary Award The Eye of Cybele is equal parts historical epic whodunnit style thriller highbrow erotica and philosophical discourse Set in the fifth century B C during the reign of Pericles the novel fictionally recreates the behind the scenes scandals and political intrigues that occupied the Athenian home front at the height of the Peloponnesian War **The Eye of Greece** Donna Kurtz, 1982-09-16 An exploration of the subjects and problems in the art of Archaic and Classical Athens Sexual Personae Camille Paglia, 1991-08-20 The fiery provocative and unparalleled work of feminist art criticism that launched the exceptional career of one of our most important public intellectuals a remarkable book at once outrageous and compelling fanatical and brilliant One must be awed by Paglia's vast energy erudition and wit The Washington Post Is Emily Dickinson the female Sade Is Donatello's David a bit of pedophile pornography What is the secret kinship between Byron and Elvis Presley between Medusa and Madonna How do
