Unbound is thought provoking science fiction that shrewdly examines the technological and sociopolitical challenges of humanity's journey to the stars. When Cyteen opened up faster than light travel it gave the technology for free to any ship that could reach it and with that technology it provided a map of jump points points of mass enabling starships to navigate hyperspace safely. The map of jump points however stopped with the route to Alpha thus excluding Sol and Earth and the Earth Company whose gateway to the stars was Alpha. Cyteen knew exactly what it was doing with its gift. Sol and the EC could still reach Alpha with sub light pusher ships as it always had but Sol and the Earth Company no longer had any authority in the Beyond. But Sol intends to take back control of its star stations and stop Cyteen's unbridled expansion however it can. To do that they are willing to starve Alpha and concentrate their efforts on a huge FTLer capable of carrying military force.

The Dreaming Tree C. J. Cherryh, 1997-12-01 The classic fantasy duology combining *The Dreamstone* and *The Tree of Swords and Jewels* in an omnibus for the first time. It was that transitional time of the world when man first brought the clang of iron and the reek of smoke to the lands which before had echoed only with fairy voices. In that dawn of man and death of magic there yet remained one last untouched place the small forest of Ealdwood which kept the magic intact and protected the old ways. And there was one who dwelt there Arafel the Sidhe who had more pride and love of the world as it used to be than any of her kind. But fear of the world of Faery ran deep in the hearts of men and when Ciaran Cuilean Lord of Caer Wiell a man with Elvish blood in his veins found himself the object of increasing distrust and suspicion from his men his king and even his own family he knew he must once again put his humanity aside and return to Ealdwood. For shadows of a newly awakened evil swarmed across both lands and unless Ciaran reclaimed his haunted weapons from the Tree of Swords and joined Arafel he would see this evil overtake not only the warm hearthstones of the mortal keeps but the silvery heart of Ealdwood itself.
