The Faith Of Our Fathers:

The Faith of Our Fathers James Gibbons,1898 **The Faith of Our Fathers** cardinal James Gibbons,1887 *Faith of Our Fathers* Eamon Duffy,2006-04-10 Distinguished scholar addresses the key issues an intelligent person needs to tackle in making sense of being a Catholic today **The Faith of Our Fathers** James Gibbons,1904 **The Faith of Our Fathers** James Cardinal Gibbons, 1834-1921,James Gibbons,2013-03-09 The object of this little volume is to present in a plain and practical form an exposition and vindication of the principal tenets of the Catholic Church It was thought sufficient to devote but a brief space to such Catholic doctrines and practices as are happily admitted by Protestants while those that are controverted by them are more elaborately elucidated The work was compiled by the author during the uncertain hours which he could spare from the more active duties of the ministry It substantially embodies the instructions and discourses delivered by him before mixed congregations in Virginia and North Carolina He has often felt that the salutary influence of such instructions especially on the occasion of a mission in the rural districts would be much augmented if they were supplemented by books or tracts circulated among the people and which could be read and pondered at leisure As his chief aim has been to bring home the truths of the Catholic faith to our separated brethren who generally accept the Scripture as the only source of authority in religious matters he has endeavored to fortify his statements by abundant reference to the sacred text He has thought proper however to add frequent quotations from the early Fathers whose testimony at least as witnesses of the faith of their times must be accepted even by those who call in question their personal authority *The Faith of Our Fathers* James Gibbons,2014-07-01 James Gibbons was a popular inclusive figure in the American Catholic Church rising through the ranks as a bishop archbishop and cardinal over the course of his service In the abidingly popular volume *The Faith of Our Fathers* Gibbons sets forth the chief tenets beliefs doctrines and practices of Catholicism in a clear and straightforward manner **The Faith of Our Fathers** James Gibbons,2018-06-21 The first edition of *Faith of Our Fathers* appeared in 1876 The book went through several editions and printings selling millions of copies in English and translations of major European languages It is one of the most remarkable religious works that has appeared in any age or language In clear simple and classic English James Cardinal Gibbons explains the principles of the Catholic Faith responding robustly to the arguments commonly urged against it especially by our separated brethren that he encountered in the decades of crisscrossing Maryland North Carolina and Virginia as well as in his travels throughout the United States and Europe It is undoubtedly a work of apologetics but is imbued with a fraternal spirit It leaves no sting with the reader whatever his convictions may be As a concise explanation of the Church its history doctrines and mission it has stood the test of time as a must read This edition is based on the one published in 1917 the last revised by the author improved in the translations of the works of the Holy Fathers To the author s notes some 300 new ones are added and all are now fully referenced to Scripture and to works mentioned or implied *The Faith of Our Fathers* James Gibbons,1882 *The Faith*
