

The background of the book cover is a painting of a rugged coastline. In the foreground, a dark, rocky cliff edge is visible on the right. The sea is turbulent with white-capped waves crashing against the shore. In the distance, a prominent sea stack rises from the water. The sky is filled with heavy, dark clouds, with a bright light source, possibly the sun or moon, breaking through near the horizon, creating a dramatic silhouette effect.

The Faith of Robert Louis Stevenson (Classic Reprint)

John Kelman,2017-11-08 Excerpt from *The Faith of Robert Louis Stevenson* I cannot send forth a second edition of this book without a few further words with my readers and the first word must be one of heartiest gratitude The cordiality of its reception by the great majority of reviewers both in Britain and America has surprised me while many letters from friends known and unknown have touched me very deeply If the book has braced the courage of some readers and quickened their belief in life one of its main ends has been accomplished For several criticisms revealing errors of detail I also thank my critics and have gladly made the necessary changes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Faith of Robert Louis Stevenson HardPress,Kelman John 1864-1929,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The Faith of Robert Louis Stevenson - Scholar's Choice Edition John Kelman,2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Robert Louis Stevenson and theories of reading Glenda Norquay,2024-07-30 Robert Louis

Stevenson and theories of reading is both an exceptionally well researched study of the novelist and well as an intriguing exploration of literary consumption Glenda Norquay presents fresh interpretations of Stevenson s literary essays of major works including *The Master of Ballantrae* and some of his more neglected fiction such as *St Ives* and *The Wrecker* as well as illuminating our understanding of his role within debates over popular fiction romance and reading pleasure She offers an unusual combination of literary history and reception theory and argues that Stevenson both exemplified tensions within the literary market of his time and anticipated later developments in reading theory By combining the study of nineteenth century cultural politics with detailed analysis of his Scottish Calvinism Stevenson is reassessed as both a Victorian and Scottish writer The book is aimed at scholars postgraduates and undergraduates with an interest in the nineteenth century literary marketplace in Scottish culture and in reading reception theory as well as Stevenson enthusiasts *The Philosophy of Life of Robert Louis Stevenson as Revealed in His Essays, Letters and Prayers* Richard Albert Cordell,1925 Robert Louis Stevenson Paul Maixner,2013-10-31 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer s work enabling students and researchers to read the material themselves **Dreams of Exile** Ian Bell,2024-07-02 The renowned nineteenth century author of *Treasure Island* gets his due in an admirable biography full of intelligence and scruple beautifully written The Independent Many biographies have been written of Robert Louis Stevenson portraying different versions of the famous author from the Bohemian dandy outraging Victorian Edinburgh to a writer of stories beloved by children and familiar from numerous film and television dramas In this acclaimed biography Ian Bell attempts to see Robert Louis Stevenson whole to trace the line of descent from the son of Calvinist engineers to the man who ended his days as Tusiata among the Samoan islanders Understanding that for Stevenson geography mattered Bell sets out to discover the complete man through the places he lived and the people he lived among as well as through the books that poured from him during his all too short literary life As such *Dreams of Exile* is both literary biography and travel narrative It follows Stevenson s development as an artist and as a man by following his often chaotic progress from continent to continent in good health and in bad in poverty and in wealth Along the way it reveals his often tortured relations with his family his robust sexuality and the mystery of his stormy marriage to a woman many years his senior But perhaps Bell s most important contribution is to rescue R L S from the many conflicting and often romanticized images that have continued to surround him and in the process to make a telling case for Stevenson s genius as a writer A biography as readable as a romance A very level headed and well written book *London Review of Books Catalogues of Sales* Sotheby & Co. (London, England),1914 *Catalogue* Maggs Bros,1914 *Catalogue of Standard and Holiday Books* A.C. McClurg & Co,1903 *Illustrated Catalogue of Books ... 1903-1904 ...* A.C. McClurg & Co,1903 **Christian Advocate** ,1909 *The Critic* ,1903 **Imagination and Religion** Samuel Parkes Cadman,1926 *Pender Among the Residents* Forrest Reid,1923
