The Faithful Witness Reflections From Revelation 2 3:

The Faithful Witness Ord L. Morrow, 1981 **Notes on the Revelation: with practical reflections. Second edition** H. H. SNELL (B.A.), 1870 **Revelation**, 2019-05-21 Where do we go after death What happens to us What factors influence our destiny What will happen to the world in years to come Is there a controlling divine force in human experience Is there a plan or is life a product of random occurrences of chance Why is it the righteous who are persecuted and suffer while the wicked seem to prosper Is there justice in the universe The book of Revelation offers answers to many of these questions Since however it is one of the more difficult of the New Testament books to read and interpret it is often overlooked neglected or even avoided by today's Christians Yet it addresses many prophetic issues of importance to those seeking to understand God's plan for the future Speaking through its heavy symbolism and sometimes strange visions of heaven angels beasts earthly turmoil and destruction the Apocalypse offers hope that God will overcome evil and that he does indeed control human destiny **This Is True Grace** Joyce Wai-Lan Sun, 2016-12-31 How and in what respects are the Petrine social instructions shaped by the theological vision of the author of 1 Peter This publication investigates the coherence between the social behavioural instructions and the theological teachings found in 1 Peter Engaging with the Balch Elliott debate Dr Joyce Sun argues that the core question should not be whether Christians should separate from or accommodate to wider society but whether their behaviour is consistent with their ultimate allegiance to God Sun convincingly demonstrates that the social distinctiveness of Christian communities was actively encouraged in the Petrine literature as a form of cultural and spiritual opposition to wider societal norms **CSB Restoration Bible** Stephen Arterburn, CSB Bibles by Holman, 2018-12-01 We all face difficulty in life The death of a loved one financial problems divorce health issues job loss the list can go on and on In the midst of these difficult seasons of life there is hope The CSB Life Restoration Bible features relevant and applicable notes and helps focused on life restoration in an easy to follow format to help individuals find hope and joy as they embrace the truths and promises found in God's Word during difficult seasons of life The CSB Life Restoration Bible features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity making it easier to engage with Scripture's life transforming message and to share it with others **The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation** Msgr. A. Robert Nusca, 2018-06-30 That the Apocalypse of John is a Revelation of Jesus Christ Rev 1 1 is a fact too often overlooked by interpreters of this last book of the Bible As Msgr A Robert Nusca's *The Christ of the Apocalypse Contemplating the Faces of Jesus in the Book of Revelation* proposes beyond predictions of earthquakes and falling stars St John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ Nusca offers an exegetical reading of selected verses of the Book of Revelation incorporating rich spiritual and pastoral reflections The Christ of the Apocalypse above all affirms that St John's God and Christ centered symbolic universe offers our contemporary world a

spiritual place to stand amid the shifting sands of postmodernity As Cardinal Thomas Collins Archbishop of Toronto writes in his Foreword Now as in the first century Christians face martyrdom and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel More than ever we need the apocalyptic vision to have our own vision of reality clarified and to be strengthened in our evangelical witness **Eerdmans Commentary on the Bible:**

Daniel Iain Provan, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Provan's introduction to and concise commentary on Daniel The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions **A**

Scripture Parallels of the Old and New Testaments Steven Echavarria, 2025-07-10 Old Testament scriptures can be difficult to understand when you first read them and I am the first to admit that I had a hard time understanding what God was trying to tell me Have you ever wondered why there is an Old and a New Testament Why not just focus on the New Testament teachings The truth is that the New Testament expands our understanding of what is taught in the Old Testament God's inspired words provided many scriptures in the Old Testament that not only created instructions to live a moral life but also provided us a historical record of his promises When you put the Old and New Testaments together you will not only be able to read God's full plan for us but you will also begin to discover that some Old Testament scriptures parallel New Testament scriptures creating an undeniable connection to God's word You will learn that there are 938 Old Testament

scriptures that parallel 662 New Testament scriptures In *Scripture Parallels of the Old and New Testaments* I wanted to show all those connections that show God's amazing power foresight authority promises and love he has for all of us This book was written to encourage the new believer to dig deeper into the scriptures help reignite the passion of the seasoned believer and bring nonbelievers to Christ To me the Bible is so rich in information that it became my passion project and I wanted to share a simple explanation of what the scriptures were saying The illustrations are to help readers better understand the scriptures and provide visuals to accompany these amazing accounts and lessons The vision of peeling back the words to see the awesome power of God seemed fitting Revelation John Christopher Thomas, Frank D.

Macchia, 2016-04-11 The book of Revelation is perhaps the most theologically complex and literarily sophisticated and also the most sensual document in the New Testament In this commentary John Christopher Thomas's literary and exegetical analysis makes the challenging text of Revelation more accessible and easier to understand Frank Macchia follows up with sustained theological essays on the book's most significant themes and issues accenting especially the underappreciated place of the Holy Spirit in the theology of Revelation Eerdmans Commentary on the Bible: Exodus William D.

Johnstone, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Johnstone's introduction to and concise commentary on Exodus The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions A

Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides CSB Restoration Bible, Brown LeatherTouch Stephen Arterburn, CSB Bibles by Holman, 2018-12-01 We all face difficulties in life In the midst of these challenging seasons of life there is hope The CSB Life Restoration Bible features relevant and applicable notes that focus on life restoration In an easy to follow format it

Brian K. Blount, 2013-03-07. The book of Revelation is one of the most complicated in the New Testament. The book calls for a

prophetic reaction to the world and uses some of the most violent language of the entire Bible Brian Blount's commentary provides a sure and confident guide through these difficult and sometimes troubling passages seeing Revelation as a prophetic intervention and at the same time an awe inspiring swirl of frightening violence and breathtaking hope The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship The commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text The Book of Revelation G. K. Beale, 2013-09-07 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text The text on which these commentaries are based is the UBS Greek New Testament edited by Kurt Aland and others While engaging the major questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis

The Necessity of Witness Ariaan Baan, 2015-08-17 The role of witness is a recurring theme in the work of Stanley Hauerwas it is through enacting the truth in a world of lies through seeking peace in a world of violence that witnesses show who God is who we are and what the world is like *The Necessity of Witness* is a study of Hauerwas and his fascinating but complex understanding of witness Ariaan W Baan argues that Hauerwas's approach makes a significant contribution to current debates in systematic theology on the relation between truth and life Reading Hauerwas can be a precarious adventure His rhetoric is overwhelming but his argument is not always crystal clear and carefully formulated With the help of semiotic and philosophical analysis and biblical exegesis Baan articulates Hauerwas's intuitions fills some of the gaps in his argumentation and discloses hidden biases The results of this analysis sometimes surprise Baan notes that unexpected pericopes in Scripture such as Isaiah and Revelation support Hauerwas's account of witness and concludes that his work offers insight into how in our late modern society such diverse groups as martyrs and pop stars offer implicit witness through their lives
