Return to the Mystery School Elizbeth Clare Prophet,2025-01-01 Return to the Mystery School is a direct transfer of wisdom and love from the Teacher who walked and talked with the spiritual disciples in the ancient mystery school known as the Garden of Eden Humanity stands at a crossroads where we see the serpentine logic of the fallen angels that caused the fall of Eden once again permeating today s culture Maitreya comes to teach us to discern the truth from the lie by extracting the splintered momentums hidden in our consciousness These are ancient records of disregarding our inner guidance and the resulting chaos it causes in our lives The mindset that challenges the Law of Love has misled us over many lifetimes Through

Maitreya's insights, instruction, and meditations this master resets our spiritual perspective and reawakens our Edenic consciousness to embrace the divine potential within. Spiritual seekers exploring the truths common to the world's mystical paths are finding that the advanced lessons in the Maitreya Mystery School series help them unlock their greater spiritual potential and freedom. Elizabeth Clare Prophet dedicated her life to bringing these sacred teachings from the ascended masters to provide you with current spiritual revelations, timeless truths, and practical steps on the spiritual path. Maitreya comes to prepare you to hold greater spiritual light by resurrecting the memory of your direct relationship with God. Take that memory to heart, experience deeper meaning in life, and meet Maitreya. **Dawn of the Messiah Book1** Christopher Clarke-Milton, 2008-03. An evil force has come to the small town of Whisper Creek, and a young boy's life is about to change as this evil takes control. Of his friends, Derek's life will never again be the same as he wades through the lies and deceit that papers his past. He is stalked by demons and protected by angels. His journey will take him to the edge of eternity, and his choice will either make him a champion of Hell or a soldier of Salvation. My wife Suzanne and I live in Miami Beach, Florida, along with our children Victoria and Luis. I have been saved since 2001 and have been on fire for the Lord since. My walk with God hasn't always been easy, but I have learned that He uses the trials and tribulations to forge us into vessels for His use. I came from a very religious background which had all the outward trimmings of Christianity but inwardly denied His power and grace. Through the grace and mercy of God, I heard His call to repentance and responded to it. He showed me the truth of what it was to be truly saved and set free. I finally understood that it wasn't by my good works or anything I did that would secure me in heaven. It was only by the merits and blood of my Creator and Savior, Jesus Christ. of all life **Pearls of Wisdom, 1977** Saint-Germain,1977-11 The Vials of the Seven Last Plagues Elizabeth Clare Prophet,Seven Archangels,2004-04 Chapter 15 of the Book of Revelation begins with a vision of seven angels who pour their vials over the earth the vials of the seven last plagues As these vials are poured out the Apostle John describes rivers and seas turned to blood thunders and lightnings a great earthquake and darkness What does this prophecy mean for us today Here is the real story of what is happening on planet earth and what will happen from the point of view of the seven archangels Read their words and learn how you can navigate through these challenging times **Three Scenarios of Revelation** Nativ,2006-09-29 The book s focus from which the title is derived is taken from Revelation 11 18 and opens with The Wrath of God continues with The Judgment of Mankind and closes with The Reward of the Saints A Jewish Biblical Scholar Nativ brings a unique often startling perspective to the Book of Revelation Basing his theories in Hebraic concepts not doctrine or dogma Nativ takes the reader on an exciting step by step journey through the Hebrew texts the original language of the Bible and through painstaking analysis breathes new life into the words of the Old Testament prophets the apostles and Jesus Take for example the word Armageddon Long interpreted as the ultimate battle between good and evil Nativ uses his extensive Hebrew knowledge to show it is a place not a battle and introduces the ancient Hebrew concept of a place of refuge as proof Should Nativ be correct not only will he change the theology but dictionary definitions as well Equally startling is his discussion of Revelation Chapter Nine regarding the opening of the bottomless pit and the release of the awesome creatures within Nativ not only explains what they are their origins and their purpose but most surprising the creatures present location as they await the ending of the Age Perhaps most controversial of all is Nativ s answer to the long asked question regarding the identity of the Beast and the meaning of the number 666 Not only will the reader be dumbfounded by the simplicity of Nativ s answer but horrified by the proximity Nativ is not dogmatic He does not expect everyone to agree with his study s conclusions but instead challenges the reader to prove him biblically incorrect Neither prophet nor the recipient of a great revelation from God Nativ s only claim is the wisdom from God to unveil the meaning of the Book of Revelation in all its complexities Angels, Let's Talk Orlando Constantine,2007-10 The anointing received is the deciding factor of the truth on this subject which is unparallel in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool Isaiah 1 18 *Inner Faces of God, Kabbalah V1* Elizabeth Clare Prophet,Summit University Press,1995 *Pearls of Wisdom, 1978* Mark L. anthropologist and historian with a special interest in past and current events related to the great history of Slavdom and Orthodox Christianity For an entire decade he worked to create an ambitious book in which Orthodox Christianity is put at the center of all political economical philosophical and anthropological considerations which shape our modern world In this very encompassing book the author provides the reader with special tools to reach an almost impossible task a holistic Meta ideology Normativism being characterized by comprehension of the parts of reality as intimately interconnected to the grand whole of the divine and earthly the spiritual and material opposites The long journey expressed through this book goes all the way from ancient religions the developing of Christian Orthodoxy and contemporary philosophers like the polemical Russian thinker Aleksandr Dugin whose provocative Fourth Political Theory is an invitation for the creation of new alternatives in the path to human salvation through civilizational redemption Through the results of his research Volkov made clear that this work is by no way just a political and theological manifesto but more like his final political and theological testament and a clear warning to present and future generations about the grim future provided by liberal civilization and deviation from the immortal teachings of the Holy Fathers In addition Volkov proposes bold planning to safeguard the great legacy of what Guillaume Faye called Euro Siberia a new geopolitical paradigm different from both Eurasianism and Atlanticism thus an opportunity for Christian Orthodoxy to overcome its great challenges
