The False Prophet Paperback By Skolfield Ellis H:

The Time Is Near Ian Foley, 2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of Gods plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next Millennium 3 Christopher D. Skolfield, 2001 **The False Prophet** Deniese Williams, 2014-06-27 There is a sense of urgency in which God wants to bring to the congregation s attention that God is aware of the problems plaguing today s church False prophets are in the pulpits in control of church finances stifling the teaching of the Holy Bible s doctrine and He is clearly aware of how the saints are being misled to believe you must give a finical amount for him to move on their behalf The scriptures are being taken out of context for their greed and personal gain The author speaks directly to the false prophets it is important to confront them about their attitudes and behaviors their self centered lifestyles and choices which have caused them to take advantage of others for their fleshly needs The Holy Bible speaks about the false prophets repeatedly giving warning of their manipulation tactics How they will misuse the Holy word of God to lure the saints to believe they are true prophets Throughout the course of the book the author challenges

them to repent confess and turn their lives around The Holy Bible gives us guidance on how we are to live and how God will hold man accountable for their part in corrupting the church Also those who follow under the leadership of the false prophet will be held accountable as well for supporting their ministry The time is drawing near and God is allowing man an opportunity to repent and change from their wicked ways Warning comes before destruction for some this will be their last chance to convert over to the Lord side The church should be about God s business and remember a true prophet has integrity pure heart and is known by their fruits *The False Prophet* Claire Booth,2008-02-05 The true story of conspiracy extortion and murder in the name of God In the summer of 2000 Taylor Helzer was convinced he was chosen to usher in the second coming of Jesus Christ by any means necessary This is the story of his unholy reign of terror and how the police took the self proclaimed prophet down Includes photographs *The False Prophet, Alias Another Beast* Donald Peart,2008-04-12 The False Prophet Alias Another Beast is a comprehensive study manual that exposes the purposes of another beast called the false prophet *The False Prophet (A Translation and Commentary of Revelation 13:11-18)* Richie Cooley,2017-12-29 This booklet explores the description of the False Prophet of the eschaton The notes are written from a futurist fundamentalist perspective This is the new edited version **The True and False Prophets** ,1767 **Exposing the False Prophet** Sam Medina,2018-08-16 If you are called to ministry this book is for you The prophetic ministry was given to the church to bring order and clarity into the kingdom but Jesus also warned us in Matthew 24 11 that MANY false prophets would arise and that they would SUCCEED in deceiving MANY people This third volume in the best selling Practice of the Prophetic series serves as a field guide whereby we can identify false prophets as well as understand their motives and methods and how to expose and thwart their schemes while also detailing how to restore fallen prophets to God s intended plan for their lives **False Prophet** Tempel Blood,2013-12 False Prophet is the official journal of the Tempel ov Blood Now in its Fourth Edition this authorized Tempel ov Blood publication sanctioned for the public contains sinister essays sinister fiction and informative columns from the TOB as well as contributors with the intention of exhorting inspiring and providing practical contemporary content for those dedicated to undergoing the harsh alchemical change process and enacting real world evil Illustrated
