Ganzert,2022-10-11 Delicious recipes for home chefs who are mindful about the welfare of animals Now more than ever we are conscious of where our food comes from We want to support farmers and ranchers who do things right and care deeply about the well being of their animals In line with this holistic approach Dr Robin Ganzert CEO of American Humane America s first national humane organization has compiled delicious recipes featuring ingredients that are compassionately produced by farmers ranchers and other organizations that are American Humane Certified The recipes are constructed around the seasons summer fall winter and spring so that whether you are simmering a stew on a cold night or grilling out under balmy skies you can set a humane table year round Compassion and love are the ingredients for a humane table a setting where American Humane s shared values of treating animals with kindness respect and dignity are truly celebrated If you re a home chef who supports these same principles The Humane Table is for you *Return of a Native* Vron Ware,2022-02-08 From a fixed point in the middle of English nowhere Vron Ware takes you through time and space to explain why transcending the urban rural divide is integral to the future of the planet Rural England is a mythic space a complex canvas on which people from many different backgrounds project all kinds of fantasies prejudices desires and fears This book seeks to challenge many of these ideas showing how the artificial divide between rural and urban works to conceal the underlying relationship between these two fundamental poles of human settlement This investigation of rurality is oriented from a fixed point in north west Hampshire marked by a signpost that points in four directions to two towns four villages and two hamlets Through stories interviews and reportage gathered over two decades the book demolishes tired notions of rural England that cast it as a separate realm of existence whether marooned in a perpetual time warp or reduced to a refuge for the retired wealthy urbanites extreme nature lovers and more recently anyone tired of waiting out the pandemic in towns and cities It poses two simple questions what does the word rural mean today What will it mean tomorrow The author is an ambivalent native held captive to the land by an umbilical cord but always on the verge of fleeing home to the city She writes from a feminist postcolonial standpoint that is alert to the slow violence of historical

processes taking place over many centuries enslavement colonialism industrialisation globalisation Both argument and narrative are propelled by the urgent need to reconsider the concept of countryside in the context of the climate emergency and the patent collapse of ecosystems due to intensive farming which has poisoned the land *Poultry Success* ,1909
