Shores, Surfaces and Depths Felicity Picken, Emma Waterton, 2024-11-26 This book examines the oceanic presence in life on Earth and the ways that we engage with the oceanic worlds for play pleasure adventure and the pursuit of leisure and escape through tourism and travel The oceanic turn across the social sciences and humanities has produced a still proliferating opus of work that seeks to discover and emphasize oceanic presence in life on Earth This literal and figurative unearthing of blue spaces has encouraged scholars to gaze beyond the lands that have supported much of our experience and knowledge towards the gathering up of a more holistic appreciation of blue planetary life This widening of scholarly attention from land to sea is occurring simultaneously across a range of disciplines and fields including history archaeology anthropology comparative literature public policy cultural studies and geography With an explicit focus on leisure and tourism this edited collection follows a growing appreciation that it is our seemingly inconsequential encounters at play for pleasure and on holidays that are increasingly present and influential in our oceanic relations This volume will be of value to scholars and students interested in social and cultural history and environmental history and humanities **Blake: Leader**

Mark Orams, 2010-05-01 How to lead winning teams an insider's insight into the leadership of yachting legend Sir Peter Blake New Zealand lost one of its favourite sons when Sir Peter Blake was shot and killed in the Amazon in late 2001 Blake had become a icon after leading New Zealand to victory in the 1995 and 2000 America's Cups following earlier successes in the Whitbread Round the World Race and Jules Verne Challenge His accomplishments demonstrate his skill at assembling managing and leading winning teams Blake Leader is written by sailor and marine scientist Dr Mark Orams who sailed around the world with Blake and worked with him at Team New Zealand and Blakexpeditions In this book he looks at Blake's successful style of leadership from a personal viewpoint It mixes reminiscences and anecdotes from Orams and other sporting and business figures who worked closely with Blake with practical observations of how he chose and led teams Break out boxes and chapter summaries highlight key points and techniques that can be used by leaders and team members in a wide range of sports and business situations Chapters include building a great team being a great leader encouraging a great work ethic and having a winning attitude It also examines the unique New Zealand style of leadership demonstrated by other great Kiwi leaders and how Blake's legacy can be taken into the future **Yachting**, 2005-05 **Against the Flow**
