Sixpenny Soldier:

KILL THE MAJOR (Second Edition) Paul Malone, 2023-02-07 The true story of the 42 Australian New Zealand and British guerrillas and their Borneo warrior allies who fought behind Japanese lines in World War II and forced the surrender of the last two Japanese companies ten weeks after World War II's official end. Over 1 000 Japanese were killed in the Semut I operation, a casualty rate out of all proportion to the small size and armaments of the force. But rather than revere and praise their leader after the war, many of the guerrillas recounted their hatred for their British major Tom Harrisson. One of those amazing stories that wars throw up. Steven Carroll, The Sydney Morning Herald. The Age. Kill the Major reveals much that will be news to the descendants of the Kelabit warriors. Dr Philip Raja, President Rurum Kelabit Sarawak. While it is now 75 years since Special Operations Australia SOA conducted its most successful operation throughout the course of the Second World War, the author has provided a refreshing review of events and he has reignited much debate over the legacy of Operation Semut Major. Rtd Jim Truscott, Commando The Magazine of the Australian Commando Association. Malone's fascinating book reveals that the Allied guerrillas, with the help of traditional headhunting local tribesmen, did an outstanding job after being dropped into the Borneo jungle during the Pacific War. In particular, Malone builds a strong argument that the 9th Division should have accepted the guerrillas' accurate intelligence and moved inland to round up the two big groups of Japanese roaming the interior. Instead, following the official Japanese surrender, they chose to withdraw, leaving the loyal locals at the mercy of the Japanese. Brian Toohey, National security writer and former Canberra and Washington correspondent, Australian Financial Review. the remnants of the Japanese army over burning oil fields up languid tropical rivers along leech ridden jungle tracks and across endless hills valleys and ridges Far from being the easy mopping up the men had been told to expect Borneo turned out to be as savage as anything the Aussies had hitherto encountered in the Pacific as the Japanese despite the inevitability of their defeat continued fighting with fanaticism tenacity and shocking brutality Immensely complex but brilliantly planned OBOE called for Australia's two most famous Infantry Divisions the 7th and 9th to storm ashore at three separate landing areas supported by US and Australian naval forces and local Dyak guerrilla fighters Their objectives were to secure Borneo's oil facilities and liberate its long suffering people Although now largely forgotten as well as mired in the controversy that it had little effect on the overall outcome of the war the skill bravery and determination showed by the average Australian soldier on Borneo many of whom were fighting their one and only battle of the war is beyond question OBOE involved more than 70 000 Australian military personnel of which over 2000 became casualties with nearly 600 killed It was also where the two final Australian Victoria Crosses of the war were won as well as literally dozens of other awards for bravery OBOE was superbly executed achieved all of its objectives and was the very last sustained Allied action of World War Two Drawing on a myriad of firsthand sources and interviews with the two last surviving veterans Borneo The Last Campaign examines the lead up to the landings and the campaign itself in never before published detail Once again Michael Veitch provides a compelling and fascinating account of a part of Australian war history that deserves to be recognised **Australian Battalion**

Commanders in the Second World War Garth Pratten, 2009-04-27 In Australian Battalion Commanders in the Second World War Garth Pratten explores for the first time the background role and conduct of the commanding officers of Australian infantry battalions in World War II Despite their vital role as the lynchpins of the battlefield uniting the senior officers with the soldiers who fought the battalion commanders have previously received scant attention in contemporary military history This book redresses the balance providing a gripping meticulously researched and insightful account that charts the development of Australia's infantry commanding officers from part time ill prepared amateurs to seasoned veterans who although still not professional soldiers deserved the title of professional men of war Drawing on extensive and original archival material Pratten recreates battle scenes and brings to light many diverse personalities It is a story of men confronting the timeless challenges of military leadership mastering their own fear and discomfort in order to motivate and inspire their troops to endure the maelstrom of war **In the Picture** Donat Gallagher, Carlos Villar Flor, 2014-11-15 Evelyn Waugh at war is an irresistibly fascinating subject as are his war novels and diaries Drawn to units offering the greatest danger but often frustrated in his search for action Waugh served in multiple regiments saw battle on Crete and worked behind the lines in occupied Croatia In the Picture traces Waugh's experiences both vivid and mundane with a completeness never before attempted and shows how they come alive in Sword of Honour It also illuminates the brief hints within the narrative of key events of the war while highlighting its strategic direction Waugh's individualistic relationships with

superiors subordinates and public opinion led to blame and controversy Working mainly from archival sources In the Picture examines Waugh s fitness to be an officer his conduct on Crete his being sacked from the Special Service Brigade and his service in Croatia New very surprising discoveries dispel entrenched myths **The Independent** ,1899 Independent and Weekly Review ,1899
