The Academic Ethic

Neil Hamilton

The Academic Ethic:

Neutrality and the Academic Ethic Robert L. Simon, 1994 In *Neutrality and the Academic Ethic* the distinguished philosopher Robert L. Simon explores the claim that universities can and should be politically neutral. He examines conceptual questions about the meaning of neutrality, distinguishes different conceptions of what neutrality involves, and considers in what sense if any institutional neutrality is both possible and desirable. In Part II a collection of original and previously published essays provides different views on these and related issues. *The Calling of Education* Edward Shils, 2008-04-15 Throughout his long and prolific career Edward Shils brought an extraordinary knowledge of academic institutions to discussions about higher education. *The Calling of Education* features Shils's most illuminating and incisive writing on this topic from the last twenty-five years of his life. The first essay, *The Academic Ethic*, articulates the unique ethical demands of the academic profession and directs special attention to the integration of teaching and research. Other pieces, including Shils's renowned Jefferson lectures, focus on perennial issues in higher learning: the meaning of academic freedom, the connection between universities and the state, and the criteria for appointing individuals to academic positions. Edward Shils understood the university as a great symphonic conductor; he comprehends the value of each instrument and section both separately and in cooperation. *The Calling of Education* offers Shils's insightful perspective on problems that are no less pressing than when he first confronted them. Edward Shils, 1910-1995 was distinguished service professor in the Committee on Social Thought and the department of sociology at the University of Chicago. Among his many books published by the University of Chicago Press are *Portraits: A Gallery of Intellectuals* and the three-volume *Selected Papers of Edward Shils*. **The Academic Ethic** Edward Shils, 1984 **Academic Ethics Today** Steven M. Cahn, 2022-05-15 An all-star cast of philosophical thinkers about higher education more than half women offers new essays exploring major ethical problems facing American higher education today. Among the crucial topics discussed are free speech on campus, challenges to the tenure system, the proliferation of adjunct faculty, historical injustices, affirmative action, admission policies, opportunities for applicants from the working class, faculty and administrative responsibilities, student life, threats to privacy, treatment of those with disabilities, the impact of technology on teaching and learning, curricular controversies, the impact of unions, philanthropy, sports, and intercollegiate athletics, and the aims of liberal education. The authors are leading researchers and teachers, many with extensive administrative experience, and they are members of the faculties at public and private institutions throughout the country. The essays are jargon-free and address the most pressing problems for higher education, weigh alternative policies, and assess future prospects for overcoming present challenges. Philosopher, scholar, teacher, and novelist Rebecca Newberger Goldstein provides a foreword to this unique collection. List of Contributors: Christa Davis Acampora, Anita L. Allen, Alexandra Bradner, Harry Brighouse, Steven M. Cahn, Ann E. Cudd, N. Ann Davis, Judith Wagner DeCew, Richard DeGeorge, Kyla Ebels-Duggan, Deni Elliott, Dan Edelstein, Keota Fields, Leslie P. Francis, Peter A. French, Alan H. Goldman, Karen Hanson, Elizabeth

Academic Ethics Patrick Keeney, 2017-05-15 Academic ethics are currently much in the news but there is a great deal of uncertainty both as to what constitutes specifically academic ethics and about a number of issues that are taken to be issues of academic ethics This collection of papers focuses on both questions moving from consideration of the very idea of a University and what that entails via attempts to locate the major current concerns to particular issues relating to the University's relations with the corporate world the professor's role relations between student and teacher credentialing the demands of collegiality and plagiarism The editors have provided both a full and reasoned introduction and a critical end piece that attempt to bring some order to the often inchoate nature of this field raising the further question of whether institutions should or should not frame formal codes of conduct The selected papers are drawn from diverse sources and together provide one of the first comprehensive overviews of academic ethics

Academic Freedom and Tenure Richard T. De George, 1997 Academic freedom and tenure both cherished institutions of higher education are currently under attack by many both outside and within the academy Richard DeGeorge argues that they can be defended on ethical grounds only if they are joined with appropriate accountability publicly articulated and defended standards and conscientious enforcement of these standards by academic institutions and the members of the academic community He discusses the ethical justification of tenure and academic freedom as well as ethical issues in their implementation He argues that academic freedom which is the basis for tenure is not license nor the same as freedom of speech Properly understood and practiced both academic freedom and tenure exist not to benefit faculty members or their institutions but to benefit an open society in which they thrive and of which they are an important part

The academic Ethic the report of a study group of the International Council on the Future of the University Edward Albert Shils, Jeanne Hersch, Torsten Husén, 1983

Saints and Scamps Steven M. Cahn, 2010-10-16 *Saints and Scamps* has been widely acclaimed as one of the best academic ethics books in print In its 25th anniversary edition Steven M Cahn has updated and expanded upon his critical look at the duties and responsibilities of college professors presenting us with a masterfully decisive and learned probe into the ethical standards and practices of the academic world and bringing *Saints and Scamps* to a new generation Cahn discusses every issue from grades to degree requirements from tenure to the ethics of teaching For Cahn being a professor is so much more than research and scholarship it is also about being a good teacher and shepherding in the next generation of students He shows us what makes a wonderful professor and what constitutes professorial malpractice and he does so with a wit and charm that is both entertaining and convincing This is not just a book for college professors but a book that should be read by parents students school administrators and anyone interested in what teachers do and how they should do it In this new edition Cahn continues to do what he has done so brilliantly in the past he shows us the ethical guidelines that every professor should

follow *Creating the Ethical Academy* Tricia Bertram Gallant, 2011-09-22 In this edited volume higher education experts and scholars tackle the challenge of understanding why ethical misconduct occurs in the academy and how we can address it

Academic Ethics Neil Hamilton, 2002-12-30 This book suggests that the umbrella academic organizations step forward and draft a model code of ethics for the profession of higher education Further discussion reveals how such attempts become difficult in face of the market's relentless pressure to frame the institution student relationship in the economic terms of provider and customer The book also offers an analysis of academic tradition academic freedom and the principles of professional conduct and shared governance Typical problems in academic life are presented each followed by questions designed to stimulate seminar type discussion Appendices contain a proposed code of ethics as well as AAUP statements on the subject

This is likewise one of the factors by obtaining the soft documents of this **The Academic Ethic** by online. You might not require more mature to spend to go to the books launch as with ease as search for them. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of The Academic Ethic eBooks, including some popular titles.

FAQs About The Academic Ethic Books

What is a The Academic Ethic PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Academic Ethic PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Academic Ethic PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Academic Ethic PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Academic Ethic PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
