The Affair The Case Of Alfred Dreyfus:

The Affair: The Case of Alfred Dreyfus Jean-Denis Bredin, 2019-07-31 Co published by Plunkett Lake Press and George Braziller Inc On an autumn morning in 1894 Captain Dreyfus was summoned to appear for a routine inspection instead as he took down a letter dictated by a senior officer he was summarily accused of high treason So began a twelve year series of events that included his imprisonment on Devil s Island the publication of Emile Zola s passionateJ Accuse the Rennes retrial and the pardon and final rehabilitation of 1906 As the Dreyfus case turned into the Affair the history of a single military career came to display the conflicts that were tearing France apart military defeat anti Semitic furor and the place of traditional values in a country still reeling from the turbulence of the French Revolution Told with an historian s insight and a novelist s skill The Affair makes fascinating and informative reading about one of the most celebrated episodes in modern history There have been many books about the Dreyfus Affair but Jean Denis Bredin s book is one of the best of them lucid well organized informed by a fine sense of drama John Gross The New York Times a critically acclaimed study Michiko Kakutani The New York Times If one is limited to a single book about the Dreyfus case and its consequences this should be it Bredin has told this story with precision passion and a vivid sense of character The New York Review of Books A brilliant and fascinating book What is most remarkable about The Affair is the skill and sensitivity with which the author places it in its essential historical setting It is also a gripping though terrible story superbly told The Atlantic This is the most judicious and absorbing account to date of the Dreyfus Case The Boston Globe This is certainly the best book on the Dreyfus case now available in the English language San Francisco Examiner Bredin is crystal clear in his gripping narrative of the complex case His tapestry glows with all the color of the Belle Epoque and its extravagances Chicago Sun Times There have been other books on the Affair but I can t imagine any of them coming even close to Bredin s work He is brilliant at placing the myriad elements of the Affair in context with verve and lucidity It should be a model for future historians San Francisco Chronicle **The affair : the case of Alfred Dreyfus** Jean Denis Bredin, 1986 *The Affair* Jean-Denis Bredin, 1989

The Dreyfus Affair Leslie Derfler, 2002-04-30 On October 15 1894 Alfred Dreyfus a Jewish artillery captain attached to the French General Staff was arrested on charges of having betrayed his country by selling military secrets to the Germans He was convicted of treason by military court martial and sentenced to life imprisonment on Devil s Island but over the next 12 years a small group of human rights supporters was able to clear him and identify the real traitor and Dreyfus was pardoned The most sensational case in French history it pitted national security interests against individual rights exposed the anti Semitism that permeated France and influenced the course of Europe as it rumbled toward the first of two world wars This work provides the first comprehensive examination of this incident for students including a narrative historical overview essays on major aspects of the event lengthy biographical profiles of the key players the text of important primary documents contemporary to the time a timeline of the event and list of French Presidents and Ministers of War during the Affair a

glossary of terms and a bibliography of print and electronic sources and films suitable for students This is an ideal resource for student use Leslie Derfler the foremost American authority on the Dreyfus Affair puts the Affair in historical and social context for the reader In addition to an historical overview other essays examine the French political context before Dreyfus the issue of anti-Semitism in the Affair the Socialists position and how historical perceptions of the Dreyfus Affair have shifted over the last hundred years Lengthy biographies of key players enrich the reader's understanding of the role of the protagonists and antagonists in the Affair A wide range of primary source documents from Alfred Dreyfus's diary descriptions of the torment he suffered on Devil's Island to Emile Zola's famous J'accuse letter accusing the Army high command and the French government of conspiring to hide the truth and protect the guilty party bring to life the emotional content of the Affair A selection of rare photographs and newspaper illustrations and cartoons provides a valuable visual component

France and the Dreyfus Affair: A Documentary History Michael Burns, 2019-08-09 The unjust conviction of French Jewish Captain Alfred Dreyfus on charges of treason started the Dreyfus affair a major event in European anti-Semitism This documentary history is designed to introduce the broad outlines and significant legacies of the Dreyfus affair from the captain's arrest in 1894 to the 1998 centennial of J'accuse mile Zola's scathing indictment of the French military This volume fashioned for a weeklong assignment in a college course reproduces the affair's most celebrated texts as well as less familiar but no less telling documents Presented as a chronological narrative it charts Captain Dreyfus's case as it unfolded in time and summarizes the major issues and debates that have survived for the past century From the preface by Michael Burns A fresh and compelling study of the turn of the century affair in a concise and readable book A fine compilation of well chosen documents and lucid analysis Beyond making this frequently told tale come to life once again I literally could not put the book down Burns has given it historical and cultural context Donna F Ryan Gallaudet University Michael Burns's volume is imaginatively written with a keen eye to the drama and desperation of the Dreyfus affair Its special strength is its learned attention to the political military and cultural contexts Weaving the author's own commentary together with documents from the period this volume is a splendid guide to one of the most important historical landmarks of our time Michael R Marrus University of Toronto In both his analysis and his choice of documents Michael Burns has brilliantly captured all the complexity and the passion of the Dreyfus affair I salute his achievement Benjamin F Martin Louisiana State University

Franz Kafka, The Jewish Patient Sander Gilman, 2023-01-06 This is the first book about Kafka that uses the writer's medical records Gillman explores the relation of the body to cultural myths and brings a unique and fascinating perspective to Kafka's life and writings **The Courtesan and the Gigolo** Aaron Freundschuh, 2017-01-11 The intrigue began with a triple homicide in a luxury apartment building just steps from the Champs Elyse's in March 1887 A high class prostitute and two others one of them a child had been stabbed to death the latest in a string of unsolved murders targeting women of the Parisian demimonde Newspapers eagerly reported the lurid details and when the police arrested Enrico Pranzini a

charismatic and handsome Egyptian migrant the story became an international sensation As the case descended into scandal and papers fanned the flames of anti immigrant politics the investigation became thoroughly enmeshed with the crisis driven political climate of the French Third Republic and the rise of xenophobic right wing movements Aaron Freundschuh s account of the Pranzini Affair recreates not just the intricacies of the investigation and the raucous courtroom trial but also the jockeying for status among rival players reporters police detectives doctors and magistrates who all stood to gain professional advantage and prestige Freundschuh deftly weaves together the sensational details of the case with the social and political undercurrents of the time arguing that the racially charged portrayal of Pranzini reflects a mounting anxiety about the colonial Other within France s own borders Pranzini s case provides a window into a transformational decade for the history of immigration nationalism and empire in France Jews on Trial Bruce Afran,2005 All are true presented with balance and clarity by lawyers and scholars Jacket *The Origins of the French Nationalist Movement, 1886-1914* Robert Lynn Fuller,2014-01-10 This narrative history explores the emergence of one of the most influential Nationalist movements of modern Europe It explains how and why the movement united the far right with the far left in a militant campaign to wrest control of France from the moderate republicans who were attempting to stabilize the country after a century of political volatility The agitation groups propaganda machines street fighting gangs and political hustlers who made up the Nationalists all campaigned for one end to overthrow the Third Republic The eruption of the Dreyfus Affair 1894 1899 provided the Nationalists with a convenient target for their assaults the Dreyfusard defenders of a wrongly convicted Jewish army captain Alfred Dreyfus This work based on original archival research in France argues that the Nationalists posed a real and dangerous threat that dissipated only when their goals were adopted by more moderate competing groups **The Dreyfus Case** Alfred Dreyfus,Pierre Dreyfus,1937
