Hendrick, 2017-12-24 The Age of Big Business is a history of how businesses changed from small competing businesses to large corporations that controlled major portions of or all of an industry Since the book was written in 1919 it was fascinating to see how the various industries have changed from post Civil War to post World War I to now *The Age of Big Business* Burton Jesse 1870-1949 Hendrick, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Age of Big Business Burton Jesse Hendrick, 2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The Age of Big Business: A Chronicle of the Captains of Industry Burton Jesse Hendrick, 2021-04-25 In *The Age of Big Business A Chronicle of the Captains of Industry* Burton Jesse Hendrick meticulously chronicles the rise of industrial magnates during the late 19th and early 20th centuries With a narrative that blends vivid storytelling and rigorous historical analysis Hendrick sheds light on the transformative figures who shaped American commerce such as John D Rockefeller and Andrew Carnegie His engaging prose reflects the complexities of America's transition into an industrial powerhouse characterized by both the innovative spirit of entrepreneurship and the ethical dilemmas posed by capitalism The book situates these captains of industry within a broader socio economic context offering a critical lens on the impact of big business on American society and politics Burton Jesse Hendrick was an accomplished

journalist and biographer whose experiences in the evolving landscape of American industry undoubtedly informed his perspective. His deep engagement with the economic changes of his time coupled with a journalistic dedication to uncovering essential truths enabled him to present a nuanced view of industrial leaders that resonates with both admiration and skepticism. Hendrick's prior writings on personalities of the Progressive Era further enrich his examination of these transformative figures. *The Age of Big Business* is a compelling read for anyone interested in understanding the dynamics of American capitalism and the personalities that fueled its growth. Hendrick's blend of detailed research and engaging narrative not only educates but also provokes thought regarding the moral responsibilities of business leaders, making this book an invaluable resource for historians, students, and general readers alike.
