Social Fragmentation and the Decline of American Democracy Robert E. Denton, Jr., Benjamin Voth, 2016-12-08 This book explores the social and political implications of what the authors identify as the decline of the social contract in America and the rise of a citizenry that has become self centered entitled and independent For nearly two decades America has been in a cultural war over moral values and social issues becoming a divided nation geographically politically socially and morally We are witnessing the decline of American Democracy the authors argue resulting from the erosion of the idea of the social contract Especially since the baby boomers each successive generation has emphasized personal license to the exclusion of service social integration and the common good With the social contact the larger general will becomes the means of establishing reciprocal rights and duties privileges and

In the Name of Education Jonas E. Alexis, 2007 Alexis convincingly examines the crisis in education from a Christian perspective Social Issues Race and Morality Melvyn L. Fein, 2012-12-06 After I had finished my presentation a colleague and I sat rocking on the hotel porch to discuss its merits It was a picture perfect fall day in Jekyll Island Georgia and he was a friend Yes he explained what I was saying seemed to be true And yes it probably needed to be said but why did I want to be the one to say it Wasn't I after all a tenured professor who didn't need to make a fuss in order to retain his job Didn't it make sense to just kick back and enjoy the easy life I had earned The topic of our tete a tete was my speculations about race relations and he was certain that too much honesty could only get me in trouble Given my lack of political correctness people were sure to assume that I was a racist and not give me a fair hearing This was a prospect I had previously contemplated Long before embarking on this volume I had often asked myself why I wanted to write it The ideological fervor that dominates our public dialogue on race guaranteed that some people would perceive me as a dangerous scoundrel who had to be put in his place

What If America Were a Christian Nation Again? D. James Kennedy, Jerry Newcombe, 2005-04-10 Some people would gnash their teeth at the idea that America was and can be again a Christian nation They will not be satisfied until they have removed every vestige of our Christian heritage from our minds and from our surroundings Yet in this book D James Kennedy and Jerry Newcombe document the incontrovertible fact that America began as a Christian nation And we can get back on track before it's too late they say What made us great in the first place is our rich Christian heritage It's time to reclaim America
