The Amah:

The Concubine's Daughter Helen Kwok, 2003-04-21 *The Concubine's Daughter* is a snapshot of a bygone era depicting life in the British colony of Hong Kong in the fifties and sixties. It is the story of Elizabeth Lee, a beautiful, intelligent, and liberated young woman. From the time she is a wide-eyed eighteen-year-old studying English Literature at the University of Hong Kong, sharing girlish secrets with her two best friends, to her becoming an academic at the University just after her thirtieth birthday when she leaves Hong Kong with her husband and young son for the US, frightened in part by the riots inspired by the Cultural Revolution taking place across the border in mainland China. After twenty years in the US, she returns to Hong Kong in 1986, just ten years before China is to regain sovereignty over the colony. Educated in English, Elizabeth is keenly aware of the conflict within herself between her love of certain aspects of Western culture and her Chinese heritage. Living in that period of the colony's history and largely divorced from the cultural life of the Chinese mainland, she is conscious of a sense of isolation. Discriminatory attitudes and actions, whether based on gender, race, or language, are very much a fact of life in Hong Kong during this period. The subject matter is original. The narrative style is witty, mildly sarcastic, and humorous in places. The vivid depiction of social customs and manners and memorable characters from different strata of society contribute to make *The Concubine's Daughter* a book well worth reading.

Grains of Truth Joshua A. Fogel, 2013-12-31 Following the destruction of the Second Temple in 70 C.E., Judaism faced a serious crossroads. The rabbis of late antiquity spent the next few centuries immersed in extensive debates in an effort to create an ethical and practical basis for a Torah-based faith. Their discussions constitute the bulk of what we know as the Talmud. This collection is not only massive; it is forbiddingly difficult, having accumulated numerous commentaries over the centuries since it first appeared. Recent translations have made it somewhat more accessible to English language readers, but textual difficulties remain. This volume looks at tractate Menachot, grain offerings, which is concerned mostly with grain offered at the Temple when it stood to atone for various misdeeds. Joshua A. Fogel approaches the text page by page, commenting with doses of humor and comparisons in a manner meant to explain and humanize the text for contemporary readers.

Freddy's War Judy Schultz, 2011 Includes a dozen questions for further discussion at the end of the book.

State, 1986 The Lushan Addiction Warren Shulman, 2006-12-20 In this tale of intrigue, love, and revenge spanning three decades and two continents, retired CIA operative West Lambert returns to help the Agency discover the secret behind a cutting-edge computer chip manufactured in Lushan, China, which could affect the economic balance of power in the world. Traveling first to Hong Kong, Lambert meets and enlists the aid of a beautiful martial arts master, Ching Ping, who is from Lushan. They discover that a revolutionary drug, Joss, developed by Shih Liping, Lambert's nemesis from his early days in Laos, is responsible for the industry-changing success at Lushan. Lambert and Ping are sent to acquire Joss for America, and in the quest, they overcome assassins sent by a Japanese company also vying for the rights to Joss. Joss becomes the catalyst for dramatic increases in American productivity, but the CIA is not satisfied and plots to gain

control of Joss Lambert is covertly dropped into Lushan tasked with stealing the formula There he is betrayed by Ping with whom he has become romantically involved and discovers she is actually Shih's daughter Lambert is devastated when Shih reveals that he deliberately inserted Joss into American culture because he has the ability to alter the molecular structure of Joss to render it highly addictive Shih boasts that years earlier when Lambert was in Hong Kong that he staged a boating explosion to make it appear that Lambert's first love Bergita perished In reality Shih took Bergita captive raped her and conceived Ping Ping overhears her father and in a rage attacks and mortally wounds him She releases Lambert and together they destroy the Joss manufacturing plant before escaping to America with the prized secret formula
