The Ambition Of Emilio:

The Ambition Yvonne Blackwood, 2024-08-19 In the hustle and bustle of 1990s Toronto John Cippione and his older brother Carmine take over their hard working Italian immigrant father's small heating and air conditioning company John is determined to propel the business into the big leagues and finally have the lavish lifestyle he craves so the brothers join forces with a powerful land development company But when an industry player sets out to bankrupt them they risk tarnishing their father's name and losing the legacy he entrusted to them With everything crashing down around them they must scramble to survive in a dangerous game of adultery murder and ruthless ambition **Emilio's Carnival** Italo

Svevo, 2001-01-01 In this novel Svevo tells the story of the amorous entanglement of Emilio a failed writer already old at 35 and Angiolina a beautiful but promiscuous young woman A study in jealousy and self torment it is suffused with a tragic sense of existence In the Shadow of the Mammoth Giuliana Minghelli, 2002-01-01 Giuliana Minghelli uses Italo Svevo's

parodic Darwinian fable of the prehistoric encounter between the weak and unfinished man and an incommensurable other to reassess his eccentric contribution to 20th century literature **Gloria Estefan** James Robert Parish, 2009 Gloria Estefan

Singer profiles a singer who opened the door for Latin music everywhere This comprehensive volume provides useful information on how to become a singer while tracing those steps taken by a professional Gloria Estefan i **A Clandestine Corporate Affair** Michelle Celmer, 2011-08-01 Too Close for Comfort Nothing can put the brakes on Nathan Everett's bid to become Western Oil's CEO Except dating their chief rival's daughter But just when he thinks he's put his affair with Ana Birch behind him there she is gorgeous as ever with a baby in tow And the little boy has the telltale Everett birthmark With his entire future at stake Nathan is suddenly struck with a tremendous decision Does he dare take his clandestine relationship with Ana public and risk losing all he's worked for Or turn his back on the family he's always been too afraid to want **Pig's Foot** Carlos Acosta, 2013-10-30 _____ Vivid fast moving and often dazzling The pace leaves

you breathless Kate Saunders The Times Elegant and seductive Guardian Spellbinding Acosta does for prose what he has done for the ballet bringing to it a muscular sexiness and a rural saltiness Independent on Sunday _____ A dazzling novel of revolution family secrets love and identity across four generations Oscar Mandinga great grandchild of the founders of a small hamlet deep in the Cuban hinterland is a sardonic teller of tales some taller than others But one day Oscar wakes to find himself utterly alone the sole descendant of his family line He is not sure what to do or where to go but in the midst of this uncertainty he holds fast to what his grandfather always told him No man knows who he is until he knows his past So Oscar sets out to find his ancestral village and the meaning of the magical pig's foot amulet he has inherited _____ A little pressure cooker of a novel Daily Express An enormously warm hearted novel tearful at times

triumphant at others Mail on Sunday *Into the Unknown* Susan E. B. Schwartz, 2005 Into the Unknown is the inspiring story of one man's successful quest for meaning from hair raising mountain adventures to medical breakthroughs to the inner

Evolutions in Critical and Postcritical Ethnography Allison Daniel Anders, George W.

Noblit, 2024-07-11 Moving beyond traditional critical ethnography postcritical ethnographies accept as a key premise that studies which are critical of the social world must also turn critique back on the ethnographer the study and its process The book includes an introduction to the evolutions of critical ethnography and postcritical ethnography and exemplar chapters from contributors who engaged in long term ethnographic studies Accompanying each chapter is an introductory preface and margin notes created by the editors to underscore the methodological moves made by each author Addressing the distinct orientations critical and postcritical ethnographies take the book illuminates how different authors think enact and represent their critical and postcritical post critical work In this way the book is pedagogical within and across each chapter Each contributor has produced a chapter that includes a brief summary of their respective long term inquiry project with emphases on relation in the being doing and theorizing of qualitative research Contributors discuss their navigation of commitments across the arc of their research and engage critical social theory interrogating issues of power and ideology Each chapter includes retrospective analytical reflections on the long term ethnographic work contributors completed The chapters address interpretivist commitments to emic analyses metaphor and representation and each contributor s personal and professional commitments to equity and justice The chapters engage critical social theories crip horizons critical race theory and queer theory as well as critical and queer pedagogies de colonialism and post humanism A summary chapter addresses key issues in contemporary postcritical post critical qualitative research The book is designed to prepare novice qualitative researchers to craft conduct and represent postcritical post critical qualitative research The book provides guidance for researchers who are interested in social critique equity and justice and who seek to avoid the failures in the last quarter of the 20th Century of critical ethnography

Quantum Generations Helge Kragh, 2002-03-24 At the end of the nineteenth century some physicists believed that the basic principles underlying their subject were already known and that physics in the future would only consist of filling in the details They could hardly have been more wrong The past century has seen the rise of quantum mechanics relativity cosmology particle physics and solid state physics among other fields These subjects have fundamentally changed our understanding of space time and matter They have also transformed daily life inspiring a technological revolution that has included the development of radio television lasers nuclear power and computers In *Quantum Generations* Helge Kragh one of the world s leading historians of physics presents a sweeping account of these extraordinary achievements of the past one hundred years The first comprehensive one volume history of twentieth century physics the book takes us from the discovery of X rays in the mid 1890s to superstring theory in the 1990s Unlike most previous histories of physics written either from a scientific perspective or from a social and institutional perspective *Quantum Generations* combines both approaches Kragh writes about pure science with the expertise of a trained physicist while keeping the content accessible to nonspecialists and paying careful attention to practical uses of science

ranging from compact disks to bombs As a historian Kragh skillfully outlines the social and economic contexts that have shaped the field in the twentieth century He writes for example about the impact of the two world wars the fate of physics under Hitler Mussolini and Stalin the role of military research the emerging leadership of the United States and the backlash against science that began in the 1960s He also shows how the revolutionary discoveries of scientists ranging from Einstein Planck and Bohr to Stephen Hawking have been built on the great traditions of earlier centuries Combining a mastery of detail with a sure sense of the broad contours of historical change Kragh has written a fitting tribute to the scientists who have played such a decisive role in the making of the modern world The Philippine Revolution Teodoro Manguiat
