[The Early English Caribbean, 1570-1700 Vol 2](#) Carla Gardina Pestana, Sharon V Salinger, 2021-12-16 This four volume collection brings together rare pamphlets from the formative years of the English involvement in the Caribbean Texts presented in the volumes cover the first impressions of the region imperial rivalries between European traders and settlers and the experience of day to day life in the colonies Volume 2 Fitting into the Empire This volume documents the political situation in the Caribbean within the context of imperial rivalries

The Spanish tried to repulse all other newcomers and by the 1660s territorial disputes between the English the French and the Dutch were commonplace Eventually English French Dutch Portuguese and Spanish territories were established ushering in a new era of small colonial outposts Trading networks were built up with sugar becoming the main export and the source of both wealth and controversy Documents attest to the strong feelings provoked by the high duty on sugar as well as giving an insight into the day to day problems of managing plantations New territories required new systems of governance Issues surrounding these were reported and discussed in various publications aimed at an English readership Printed compilations of colonial laws also gave readers back in England the chance to gain insights into the whole legal framework needed to meet the needs of Caribbean settlements

Sugar and Slaves Richard S. Dunn, 2012-12-01 First published by UNC Press in 1972 *Sugar and Slaves* presents a vivid portrait of English life in the Caribbean more than three centuries ago Using a host of contemporary primary sources Richard Dunn traces the development of plantation slave society in the region He examines sugar production techniques the vicious character of the slave trade the problems of adapting English ways to the tropics and the appalling mortality rates for both blacks and whites that made these colonies the richest but in human terms the least successful in English America A masterly analysis of the Caribbean plantation slave society its lifestyles ethnic relations afflictions and peculiarities *Journal of Modern History* A remarkable account of the rise of the planter class in the West Indies Dunn's work is rich social history based on factual data brought to life by his use of contemporary narrative accounts *New York Review of Books* A study of major importance Dunn not only provides the most solid and precise account ever written of the social development of the British West Indies down to 1713 he also challenges some traditional historical clichés *American Historical Review*

The Early English Caribbean, 1570–1700 Vol 4 Carla Gardina Pestana, Sharon V Salinger, 2021-12-16 This four volume collection brings together rare pamphlets from the formative years of the English involvement in the Caribbean Texts presented in the volumes cover the first impressions of the region imperial rivalries between European traders and settlers and the experience of day to day life in the colonies Volume 4 Making Meaning The flora and fauna of the islands and their economic potential was documented in a number of tracts which also helped to promote the colony as an attractive and bountiful place to settle Running counter to the promotional literature was a whole sub genre on natural disasters Hurricanes and earthquakes were relatively common and the commentators who wrote about them did so from a variety of motives to entertain to shock to warn or simply to record them Often portrayed as irreligious settlers engaged energetically in the religious debates of the time Dissenters were encouraged or coerced into leaving for the colonies and a number of Quaker publications condemned the transportation of their coreligionists Though most settlers

were members of the Church of England its textual footprint was quite small and many more dissenting tracts have survived
