The English Road To Rome:

The English Pilgrimage to Rome Judith F. Champ, 2000 This fascinating narrative of English pilgrims and pilgrimages to Rome from Saxon times to the present day acts as a packed gazetteer of the material traces of the English in Rome enabling the reader to track their presence through the city's monuments churches and palazzi and to use the stones and inscriptions of Rome and its environs to recover a sometimes forgotten but enlightening story Judith Champ teaches Church History at Oscott College Birmingham

The Roads to Rome Catherine Fletcher, 2024-12-03 Inspired by original research and filled with color and drama this is an exploration of two thousand years of history as seen through one of the greatest imperial networks ever built All roads lead to Rome is a medieval proverb but it's also true today's European roads still follow the networks of the ancient empire and these ancient roads continue to grip our modern imaginations as a physical manifestation of Rome's extraordinary greatness Over the two thousand years since they were first built these roads have been walked by crusaders and pilgrims liberators and dictators but also by tourists and writers refugees and artists As channels of trade and travel and routes for conquest and creativity Catherine Fletcher reveals how these roads forever transformed the cultures and intertwined the fates of a vast panoply of people across Europe and beyond The Roads to Rome is a magnificent journey into a past that remains intimately connected to our present Traveling from Scotland to Cordoba to Istanbul and back to Rome the reader meanders through a series of nations and empires that have risen and fallen Along the way we encounter spies bandits scheming innkeepers a Byzantine noblewoman on the run young aristocrats on their Grand Tour a conquering Napoleon John Keats the Shelleys the abolitionist Frederick Douglass and even Mussolini on his motorbike Reflecting on his own walk on the Appian Way Charles Dickens observed that here is a history in every stone that strewn the ground Based on vibrant original research this is the first narrative history to tell the full story of life on the roads that lead to Rome
