Overview histories prepared by the Colorado State Office Bureau of Land Management The purpose of these works is to develop a synthetic history of a given area in order to provide our managers and staff specialists with a baseline overview of the history of a district It must be noted that the major cities like Denver Colorado Springs Boulder Fort Collins and Greeley are only mentioned This is because there is no public land in these places and the Bureau s mandate is to manage the public lands not private estates Foreword      **Glen Echo, Rustic, and Manhattan** James La Force,2012-04-18 Cache la Poudre

River history place names fish and the river      **Cache la Poudre wild & scenic River** United States. Forest Service,1979

town of Loveland arose on the northern Front Range along the Big Thompson River although it is often mistakenly associated with the mountain pass and ski resort that share the same name Located where the beauty of the mountains meets the bounty of the plains Loveland became an agricultural and transportation hub when platted by the Colorado Central Railroad in 1877 The area boomed as the site of the Great Western Sugar Company s first factory in 1901 A natural gateway to the scenery and recreation of the Rockies Loveland was also the headquarters for major water diversion projects The romantic sounding name inevitably led the Sweetheart City to promote its postmark in a Valentine re mailing campaign that began in 1953 Since then the community has evolved into a high tech manufacturing center and public art showplace

**French-Indian Families in America's West** Irma R. Miller,2005 A well researched entertaining historical account of the traumatic events experienced by the author s ancestors as they embarked west from St Louis to Sioux Indian country
