The Episcopal Synod Of America Speeches Sermons Documents And Pictures From The Founding Meeting:

The Apostolic Succession and the Catholic Episcopate in the Christian Episcopal Robert David Redmile,2006-09

Mainline Christianity Jason S Lantzer,2023-11-21 Since the Revolutionary War Mainline Christianity has been comprised of the Seven Sisters of American Protestantism the Congregational Church the Episcopal Church the Evangelical Lutheran Church the Presbyterian Church the United Methodist Church the American Baptist Convention and the Disciples of Christ These denominations have been the dominant cultural representatives since the nineteenth century of how and where the majority of American Christians worship Today however the Seven Sisters no longer represent most American Christians The Mainline has been shrinking while evangelical and fundamentalist churches as well as non denominational congregations and mega churches have been attracting more and more members In this comprehensive and accessible book Jason S Lantzer chronicles the rise and fall of the Seven Sisters documenting the ways in which they stopped shaping American culture and began to be shaped by it After reviewing and critiquing the standard decline narrative of the Mainline he argues for a reconceptualization of the Mainline for the twenty first century a new grouping of Seven Sisters that seeks to recognize the vibrancy of American Christianity
