A Commentary on the Epistle to the Galatians James a. Fowler, 2011-02-24 Sometime after Paul had departed from the cities of Galatia some other teachers arrived with a modified belief system that inculcated adherence to the Judaic Law of the old covenant It is difficult to reconstruct the precise identity of these interlopers but it is obvious that they were advocating the necessity of religious observances 4 10 as well as male circumcision 5 2 6 12 and attempting to seduce these new Christians into legalistic old covenant concepts 3 2 4 21 The author believes that Galatianism is pervasive and prevalent in the churches today as religious legalists have duped Christians with the didactic declarations of how to Christian religion in prescribed procedures formulas techniques and duties which allegedly determine the distinguishing marks of a true disciple The Church today is in dire need of the message of grace and liberty **Religious Books and Serials in Print,**
