The Epistles Of John Tyndale New Testament Commentaries:

Tyndale New Testament Commentaries: The Epistles of John John R. W. Stott, 1974 **The Letters of John** John Stott, 2014-06-10 In this Tyndale commentary John Stott provides insight into the books of 1 2 and 3 John Exploring John's hope for his past and present readers to be firmly established in faith love and holiness Stott shows how John challenges us to remember what we already know and stay loyal to the teachings we've heard **The Epistles of John** I. Howard Marshall, 1978-07-14 The three Epistles of John according to the author are concerned with the fundamentals of Christian belief and life faith and love The reader who grasps the message of these short but essential letters will have a sound basis in Christian doctrine This group of Epistles is also a good starting point for the study of the Gospel of John This important commentary was written not only so that students of the Bible might master the content of John's Epistles but that they might come to a proper understanding of Johannine theology as a whole **The Epistles of John** John R. W. Stott, 1964 1-3 John John MacArthur, 2007 The apostle John wrote his three New Testament letters in a bold direct even dogmatic manner more so perhaps than any other New Testament writer Although renowned traditionally as the apostle of love he was an authoritative uncompromising teacher *NEW TESTAMENT CONTEXTUAL COMMENTARY* Dr. Robert R. Seyda, 2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don't want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God Life Application New Testament Commentary Livingstone, 2016-07-01 Based on the best selling Life Application Commentary series this single handy volume holds practical concise insight on every verse in the New Testament Now readers can get all the useful background information they need without a lot of obscure facts they don't need A key resource for every Bible teacher and anyone else who wants to understand the New Testament and how it applies to real life Life Application New Testament Commentary Bruce B. Ngewa, 2019-10-21 While the message of the Bible remains the same different insights may add new light In this commentary attempt is made to interact with the text of the letters of John especially as we have it in the Greek New Testament The meaning of the word is not seen as the end but only as the basis upon which to relate the message to the present needs of the church The church is both guardian of truth and instrument of love These two themes are repeatedly found in the epistles of John and as they are discussed in this commentary the writer seeks to provoke the reader to reflect on how he/she can keep on improving in them In our times with so many displaced persons hospitality is increasingly becoming an aspect of Christian love the church cannot run away from These are matters that this book calls attention to as they are raised by the biblical text itself I am grateful to others who have also given their time and energy in providing their insights on the same epistles May the Lord use all the efforts to build a strong church for our time and many years to come **The Epistles of John** John Robert Walmsley Stott, 1969 **The Epistles of John** David E. Hiebert, 1991 This commentary on what the author calls a singular irreplaceable gem among the books of the New Testament is written with a balance of theological orthodoxy reverent scholarship and evangelical warmth It is a work which provides the preacher teacher and layman with a clear and concise discussion of the meaning of the biblical text yet never ignores the devotional purpose with which the Apostle John wrote Back cover **Women's Evangelical Commentary: New Testament** Dorothy Kelley Patterson, Rhonda Kelley, Rhonda
