**The Talmud's Red Fence** Shai Secunda, 2020-06-16 The Talmud s Red Fence explores how rituals and beliefs concerning menstruation in the Babylonian Talmud and neighboring Sasanian religious texts were animated by difference and differentiation It argues that the practice and development of menstrual rituals in Babylonian Judaism was a product of the religious terrain of the Sasanian Empire where groups like Syriac Christians Mandaean Zoroastrians and Jews defined themselves in part based on how they approached menstrual impurity It demonstrates that menstruation was highly charged in Babylonian Judaism and Sasanian Zoroastrian where menstrual discharge was conceived of as highly productive female seed yet at the same time as stemming from either primordial sin Eve eating from the tree or evil Ahrimen s kiss It argues that competition between rabbis and Zoroastrians concerning menstrual purity put pressure on the Talmudic system for instance in the unusual development of an expert diagnostic system of discharges It shows how Babylonian rabbis seriously considered removing women from the home during the menstrual period as Mandaean and Zoroastrians did yet in the end deemed this possibility too heretical Finally it examines three cases of Babylonian Jewish women initiating menstrual practices that carved out autonomous female space One of these the extension of menstrual impurity beyond the biblically mandated seven days is paralleled in both Zoroastrian Middle Persian and Mandaic texts Ultimately Talmudic menstrual purity is shown to be driven by difference in its binary structure of pure and impure in gendered terms on a social axis between Jews and Sasanian non Jewish communities and textually in the way the Palestinian and Babylonian Talmuds took shape in late antiquity

Walker, 2023-11-13 This book seeks to add to common representations in the scholarship on almsgiving in late antiquity concerning the remission of post baptismal sin efforts to reform society and competition between monks and bishops It demonstrates that John Chrysostom conceptualized almsgiving as not only expiating the sins of the rich relieving the suffering of the poor or securing power for its promoters but also expiating the sins of the poor unifying the members of his congregation and making humans like God Although it could indeed save one from eternal death and physical hunger it was salvific and transformative on other levels as well *Legal Traditions of the World* H. ideas     **The Essential Agus** Jacob Bernard Agus,1997-03 The Essential Agus brings together a sampling of Agus most important published and unpublished material in one easily accessible volume     *The Essential Maimonides* Moses Maimonides,Avraham Yaakov Finkel,1996-05-01 To find more information on Rowman Littlefield titles please visit us at [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)     *The Biblical Truth about America's Death Penalty* Dale S. Recinella,2015-12-01 While secular support for capital punishment in America seems to be waning religious conservatives particularly in the Bible belt remain staunch advocates of the death penalty citing biblical law and practice to defend government sanctioned killing Dale S Recinella compares biblical teaching about the death penalty including such passages as eye for eye tooth for tooth life for life with the nation s current system of capital punishment and offers persuasive arguments for a faith based moratorium on and eventual abolition of executions Framing his careful and incisive analysis as a legal brief to those who believe the Bible mandates the ultimate punishment the author addresses two critical areas of inquiry what do the scriptures tell us about who is deserving of death and who has the authority to kill and what do they tell us about the required standards for execution and the plight of victims families Recinella s examination of the Hebrew Torah or Christian Pentateuch and the Talmud reveals that the biblical death penalty was not a simple system of swift retribution but a complex and practical set of laws that guided capital courts established under the Sanhedrin His scrutiny of these texts the Christian doctrine of atonement and Romans 13 in the Pauline Epistles draws parallels between the traditional biblical arguments used in favor of capital punishment and those used as the basis for pro slavery positions in the nineteenth century Demonstrating that both approaches are unsubstantiated in biblical terms Recinella debunks the accepted religious reasoning for support of the death penalty and shows instead that the Bible s strict conditions for sanctioning execution are at odds with the arbitrary ways in which capital punishment is administered in the United States He provides convincing evidence that a sentence of death in today s criminal justice system in fact fails to meet both the Bible s exacting procedural requirements and its strict limitations on judicial authority By providing actual scriptural language and foundation to counter the position that biblical truth justifies a pro death penalty stance this thoughtful solidly researched and well reasoned work will give pause to religious fundamentalists and challenge them to rethink their strongly held views on capital punishment
