Maharaja,2023-03-07 The people of ancient times were inclined to give their attention not only to the external world of inert matter but also to the world within the vital world of consciousness Those sages who understood the importance of such contemplation comprise the prime subject matter of this book Especially in the troubled world of today it is by the conscientious study of their activities and teachings that we may come to understand the Absolute Truth or the Ultimate Reality and attain lasting peace and joy The pastimes of such great sagely personalities have been narrated in detail in an ancient collection of works known as the Puranas as well as in timeless epics such as the Mahabharata Ramayana and other Vedic literatures In this book Srila Bhakti Ballabha Tirtha Goswami Maharaja a bona fide self realized representative of the

bhakti devotional lineage has narrated important episodes and addressed salient points from these literatures Thus the avid reader may understand their inner meaning and apply this knowledge to their search for real happiness Ultimately such unadulterated permanent happiness according to the devotional tradition is realized as the attainment of pure love of God Sri Krishna     *The Mahabharata Vana Parva, Part I* Krishna-Dwaipayana Vyasa,2023-12-01 The Mahabharata Vana Parva Part 1 is a portion of the Mahabharata an ancient Indian epic written by the mythical sage and author Krishna Dwaipayana Vyasa This epic one of the world s longest and revered works is said to have been penned over several centuries through multiple authors but Vyasa is usually seen as its compiler and narrator The Vana Parva or Book of the Forest constitutes a single of the Mahabharata s eighteen parvas books Part 1 of the Vana Parva mainly deals with the exile of the Pandavas the main protagonists of the Mahabharata The Pandavas are exiled to the wilderness for thirteen years after losing their kingdom in a dice game During this time the epic explains their trials difficulties and adventures Part 1 contains multiple events including the narrative of the sage Durvasa s visit to the Pandavas the story of the Yaksha and Yudhishtira s response and the description of Arjuna s mission to collect celestial weapons These episodes are not only entertaining but they additionally provide deep philosophical and moral lessons     *The Church Eclectic* ,1891     *Revelation, Rationality, Knowledge & Truth* Hazrat Mirza Tahir Ahmad,1998-06-30 Any divide between revelation and rationality religion and logic has to be irrational If religion and rationality cannot proceed hand in hand there has to be something deeply wrong with either of the two Does revelation play any vital role in human affairs Is not rationality sufficient to guide man in all the problems which confront him Numerous questions such as these are examined with minute attention All major issues which intrigue the modern mind are attempted to be incorporated in this fascinatingly comprehensive statute Whatever the intellectual or educational background of the reader this book is bound to offer him something of his interest It examines a very diverse and wide range of subjects including the concept of revelation in different religions history of philosophy cosmology extraterrestrial life the future of life on earth natural selection and its role in evolution It also elaborately discusses the advent of the Messiah or other universal reformers awaited by different religions Likewise many other topical issues which have been agitating the human mind since time immemorial are also incorporated The main emphasis is on the ability of the Quran to correctly discuss all important events of the past present and future from the beginning of the universe to its ultimate end Aided by strong incontrovertible logic and scientific evidence the Quran does not shy away from presenting itself to the merciless scrutiny of rationality It will be hard to find a reader whose queries are not satisfactorily answered We hope that most readers will testify that this will always stand out as a book among books perhaps the greatest literary achievement of this century     **American Magazine of Useful and Entertaining Knowledge** ,1837     **The Knowledge of God, Subjectively Considered** Robert Jefferson Breckinridge,1859     *The American Magazine of Useful and Entertaining Knowledge* Nathaniel Hawthorne,Elizabeth Manning Hawthorne,1837     *From Unconsciousness to Consciousness* Osho,2023-09-16
